In the Matter of Federal-State Joint Board on Universal Service, Request for Review by ABS-CBN Telecom North America, Incorporated of Decision of Universal Service Administrator; Request for Review by Southwest Communications, Inc. of Decision of Universal Service Administrator; Request for Review by Trans National Communications International, Inc. of Decision of Universal Service Administrator, CC Docket No. 96-45, Order .	DA 07-1276 , 22 FCC Rcd 4965 (2007)	3/14/2007		Each contributor alleges that it erred in completing either its quarterly FCC Form 499-Q or its annual FCC Form 499-A filed with USAC, and subsequently missed the FCC's deadline for either the initial filing or for filing revisions to the FCC Form 499-Q. As a result of these events, contributors state that USAC rejected their late-filed revisions and over-billed them for their universal service contribution obligations. In light of the fact that each Petitioner received the requested adjustments to their obligations through the true-up process, and because USAC's actions were appropriate, we deny the Petitioners' requests and dismiss the petitions as moot.
2006 Universal Service Monitoring Report, CC Dockets 98-202 and 96-45. Regulation of Prepaid Calling Card Services, WC Docket No. 05-68, Declaratory Ruling and Report and Order.	FCC 06-79 , 21 FCC Rcd 7290 (2006)	6/30/2006		Treats certain prepaid calling card service providers as telecommunications service providers that must pay intrastate access charges for interexchange calls that originate and terminate in the same state and interstate access charges on interexchange calls that originate and terminate in different states. They also must contribute to the federal USF based on their interstate revenues, subject to the limitations in this order. Adopts interim rules to facilitate compliance with the universal service and access charge rules. Specifically, on an interim and prospective basis, requires all prepaid calling card providers to comply with certain reporting and certification requirements.
Universal Service Contribution Methodology; Federal-State Joint Board on Universal Service; 1998 Biennial Regulatory Review – Streamlined Contributor Reporting Requirements Associated with Administration of Telecommunications Relay Service, North American Numbering Plan, Local Number Portability, and Universal Service Support Mechanisms, etc., WC Docket No. 06-122; CC Docket No. 96-45; CC Docket No. 98-171, etc., Report and Order and Notice Of Proposed Rulemaking.	FCC 06-94 , 21 FCC Rcd 7518 (2006)	6/27/2006		Raises the existing wireless “safe harbor” percentage used to estimate interstate revenue from 28.5% to 37.1% of total end-user telecommunications revenue. Expands the base of USF contributions to include providers of interconnected voice-over-Internet Protocol (VoIP) service. Establishes Interconnected VoIP safe harbor of 64.9% of interstate revenue of total VoIP service revenue. NPRM seeks comment on interim contribution obligations imposed in this Order.
Amendment of Part 54 of the Commission's Rules, Order.	FCC 06-89 , 21 FCC Rcd 7422 (2006)	6/23/2006		Amends FCC rules to align oversight of the USF with the responsibilities of the Office of the Inspector General (OIG) and the Office of the Managing Director (OMD). Specifically, assigns certain audit activities formerly assigned to the Wireline Competition Bureau, including oversight of the annual Part 54 audit of USAC, to the OIG and assign calculation of the quarterly USF contribution factor to OMD.
