

## USAC Filer ID Deactivation Request Form: OUT OF BUSINESS

### INSTRUCTIONS:

To deactivate a Filer ID for a company that is no longer providing telecom services because it has gone out of business, complete all sections of this request form and mail it along with supporting documentation to the address below. Supporting documentation for this request includes a copy of the company's Articles of Dissolution or other official documentation showing that the company is no longer in business. Questions? Email [Form499@usac.org](mailto:Form499@usac.org).

Note: it may take up to 60 days, from the date USAC receives this form and all supporting documentation, for the changes to be reflected in the FCC and USAC systems and sent to TRS, NANPA, and LNP administrators.

### OUT OF BUSINESS COMPANY (Filer ID being deactivated)

Date company stopped providing telecom services: \_\_\_\_\_

Filer ID: \_\_\_\_\_

Filer legal name: \_\_\_\_\_

The FCC requires that you update your company information in the [FCC CORES Database](#).

To make updates select "Update Your Registration Information."

All necessary changes have been made in the FCC CORES Database

The FCC requires all intrastate, interstate, and international providers of telecommunications services (with very few exceptions) to file the FCC Form 499-A.

I have filed all FCC Forms 499-A associated with the years that this company provided telecom services.

I will also file the upcoming FCC Form 499-A for any revenues that I have received this year.
