

Interstate Common Line Support (ICLS) True-Up data are due by December 31, 2009

All incumbent Eligible Telecommunication Carriers (ETCs) that projected for ICLS for any part of calendar year 2008 must file actual ICLS data for that year with USAC by **December 31, 2009**. This data will be used to true-up ICLS for calendar year 2008. If ICLS actuals for calendar year 2008 are not timely filed, all ICLS disbursed for that year will be recovered by USAC, absent an FCC waiver.

You must submit the data necessary to determine actual ICLS on OMB-approved Form 509, which can be found in the Forms section of the USAC web site, www.usac.org/hc/tools/required-forms.aspx. Form 509 may be submitted to USAC in one of three (3) ways:

Email: hcfilings@hcli.universalservice.org

FAX: 866-873-4666

US Mail: USAC Customer Operations
2000 L Street, NW, Suite 200
Washington, DC 20036

If the National Exchange Carrier Association (NECA) files your ICLS data on your behalf, NECA must submit the same data as required on Form 509. In addition, NECA must also file your data with USAC no later than **December 31, 2009**.
