RE: Safety Valve Support Notification

Dear Ms. Majcher:

(ACQUIRING CARRIER NAME) hereby notifies USAC that it has acquired access lines that may be eligible for Safety Valve Support from (ACQUIRED CARRIER NAME)-(SAC). The access lines are located in the exchange(s) purchased on (DATE OF ACQUISITION). Please see the list of exchanges and CLLI codes in Attachment A. We make this determination based on (please initial on the line that applies):

_____The difference between our post transaction index year and subsequent year loop cost expense adjustments for the acquired exchange(s); (NOTE: Carrier must select this option if the acquisition was made prior to January 10, 2005).

_____The difference between the selling carrier's loop related expense adjustment based on the twelve months preceding the acquisition and our subsequent year loop cost expense adjustments for the acquired exchange(s). (NOTE: Carriers must select this option if they acquired the exchange(s) on or after January 10, 2005).

Below is the necessary information that established the index year for purposes of calculating the Safety Valve loop cost expense adjustment.

Acquiring Carrier SAC	Acquiring Carrier Name	Index Year Dash Ref Period	Subsequent Year Dash Ref Period
(STUDY AREA CODE)	(CARRIER NAME)	(YYYY-X)	(YYYY-X)
