VI. INSTRUCTIONS FOR BIDDING

Offeror’s quotes should include the following:

1. A description of goods and/or services being offered in sufficient detail to evaluate compliance with the requirements in the solicitation. The description should address all of the requirements and the evaluation considerations.
2. A quote for thirty six (12) months of products/services detailing the costs (ie. Annual Subscription and Licenses, Firm Fixed Price)
3. Name, address and telephone number of the Offeror.
4. Company TIN and Unique Entity Identifier number.

This is a firm-fixed-price contract and, ultimately, the total firm-fixed-price amount is the amount taken into consideration when reviewing the quotes. The quote form provides for the following:

1. A breakdown of the components of the quote on a line item basis, if applicable.
2. All applicable federal, state, and local sales, use, and excise taxes.
3. All costs for configuration of equipment, if applicable
4. All other costs (i.e. labeling, packaging, packing, loading, storage, insurance, etc.).
5. All blanks shall be filled in accordingly. Any alteration or erasure must be initialed by the signer of the quote.

Please email quotes to rfp@usac.org and copy Dania.Powers@usac.org. Quotes must be received by USAC no later than Friday, January 19, 2024 at 11:00 AM ET. USAC reserves the right to amend, revise or cancel this RFQ at any time at the sole discretion of USAC and no legal
or other obligations are assumed by USAC by virtue of the issuance of this RFQ, including any commitment to procure the products or services sought herein.

USAC will evaluate all Quotes that are submitted in compliance with the requirements of this RFQ. USAC will issue a purchase order to the responsible Offeror(s) submitting the lowest priced technically acceptable Quote.

In order to be deemed responsible, a prospective contractor must have adequate resources to perform the contract, or the ability to obtain them, and a satisfactory record of integrity and business ethics. A responsible offeror will be deemed technically acceptable if: it proposes to provide, and has the apparent capability to provide, all the items identified in the scope of work in accordance with the terms of this RFQ, including the USAC’s Standard Terms and Conditions hereto.
