## FCC's Emergency Broadband Benefit Program USAC Service Provider Election Process Now Open

---

March 11, 2020

Beginning today, service providers can submit election notices to USAC to participate in the Federal Communications Commission's (FCC's) Emergency Broadband Benefit Program (EBB Program). To submit an election notice, service providers must complete the EBB Program [Election Form](#) and submit it, along with all required [documentation](#), to USAC using the [EBBElection@usac.org](mailto:EBBElection@usac.org) email box.

Service providers who are not eligible telecommunications carriers (ETCs) must apply for and receive [FCC approval](#) to participate in the EBB Program before submitting their election to USAC.

To learn more about the process for service providers to participate in the EBB Program, visit [USAC's website](#). USAC hosted a training that reviews the details of the FCC approval and USAC election processes – a [recording](#) of that training is available on USAC's website.
