Recommended USAC Board of Directors Action

APPROVAL OF THE FOLLOWING RESOLUTION:

RESOLVED, that the USAC Board of Directors adopts the Board of Directors quarterly meeting schedule for April 2025 through January 2026.
Universal Service Administrative Company  
Board of Directors Meeting  

ACTION ITEM  

Election of Committee At-Large Seats, Chairs, and Vice Chairs  
and  
Election and Appointment of Corporate Officers  

Action Requested  

The USAC Board of Directors (Board) is requested to elect Board members to Board and committee leadership positions as committee chairs and vice chairs and to certain officer positions, as well as appoint staff members to certain officer positions. In addition, the Board elects members to committees when necessary. 

Discussion  

USAC’s By-laws provide that the election of USAC corporate officers should be the first order of business at the first Board meeting at the beginning of each calendar year.1 The Board also determined that it should elect committee chairs and vice chairs at the same time.2 

On January 16, 2024, the Nominating Committee of the Board met via teleconference to (1) discuss the results of the December 2023 Board member interest survey, (2) recommend a slate of candidates for each of USAC’s corporate officer positions (i.e., Board Chair, Vice Chair, Treasurer, Secretary, Assistant Treasurer, and Assistant Secretary), (3) make recommendations that would assist the Audit, Executive, Executive Compensation, High Cost & Low Income (HCLI), Rural Health Care (RHC), and Schools & Libraries (SL) committees in selecting Board members to serve as committee chairs and vice chairs; and (4) make recommendations to fill at-large seats in each of the committees. 

The Nominating Committee shared its recommendations for officer and committee positions with Board members, basing its recommendations on each Board member’s interest in serving on a particular committee and/or in a particular officer or committee leadership position and taking into account committee composition requirements, as set out in the Federal Communications Commission (FCC) rules, USAC’s By-laws, and committee charters. Unless a member indicated that he or she did not wish to retain his or her current committee assignments (and so long as assignment to a particular committee is not prescribed by the By-laws or committee charters), the Nominating Committee recommended that members currently serving in a particular position remain in that position.

Below is information the Nominating Committee used as part of its discussion, which may be informative for Board members regarding Board structure and chair, vice chair and officer positions.

**Background**

**Board of Directors Membership.** The USAC Board consists of 20 members, with the Chief Executive Officer (CEO) being the only permanently appointed, non-elected member. The other 19 members of the Board serve three-year staggered terms, with six Board member terms expiring each on December 31 of the third year of their term, regardless of when during the year the member was elected to the Board. In effect, six Board members have their terms expire each year. Although Board member terms are set for three years, Board members serve until they are reappointed or replaced by the FCC Chair, the member resigns, or the member is removed by a two-thirds vote of the Board with the concurrence of the FCC Chair.

**Committee Memberships and At-Large Seats.** The Board currently has seven committees. The constituency of each committee is set forth below under “Board Committee Composition.” FCC rules and USAC’s By-laws set forth the composition requirements for the HCLI, RHC and SL committees. The composition requirements for the remaining committees are governed by charters that were approved by the Board. Some committee seats are automatic based on the constituency that each Board member represents. Other committee seats, which may be identified as “at-large” positions, are not automatic and are made by appointment of the Board.

**Election and Term of Committee Chairs and Vice Chairs.** The Board previously determined by resolution that committee chairs and vice chairs would be elected for one-year terms that will typically commence at the conclusion of the January Board of Directors meeting each year. There are no term limits for chairs and vice chairs, and there is no automatic succession. The Board also determined by resolution that a chair or vice chair would remain in position in the event the Board does not make an election or appointment for such position at the January Board meeting (provided the person holding that position has not resigned or been removed from the Board).

**Officer Terms.** The officers of the company are set forth in Table 2 below. Pursuant to Article III of the USAC By-laws, and applicable Board resolutions, the positions of

---

3 For example, the Board has three members that represent schools eligible to receive support. The SL Committee must contain three members that represent schools eligible to receive support. Therefore, the Board members that represent this constituency are automatically members of the SL Committee.

4 For example, the SL Committee must contain one at-large representative elected by the Board. The SL Committee also must contain one service provider representative and, because the Board has multiple service provider representatives, this committee position is also an at-large position elected by the Board.

6 Id.
Board Chair, Vice Chair, Treasurer, Secretary, Assistant Treasurer, and Assistant Secretary each have a one-year term, which typically begins at the conclusion of each January Board meeting. There are no term limits for such positions, and there is no automatic succession. The Board also determined by resolution that an officer would remain in position in the event the Board did not make an election or appointment for such position in the January Board meeting, provided the person holding that position has not resigned from, or been removed by, the Board in the case of a Board member, and has not resigned, or been removed by, the CEO in the case of an employee of USAC.

Nominating Committee. The Nominating Committee consists of three members and is responsible for soliciting nominations and recommending to the Board a slate of candidates for each of USAC’s corporate officer positions. In addition, the Committee assists the Audit, HCLI, RHC, and SL committees in identifying Board members to serve as committee chair and vice-chair for each committee, as well as assisting the committees with identifying Board members to fill at-large seats.

The Board appoints the Nominating Committee members during the October quarterly meeting each year. The Nominating Committee typically reports its recommendations to the Board at the January quarterly meeting. In addition, each committee at its respective January quarterly meeting votes on a recommended committee chair and vice chair, with the names of the nominees reported by the respective committee chair to the Board for consideration also at the Board’s January meeting.

At the January meeting, the Chair of the Nominating Committee identifies the Board members recommended to serve as Board Chair, Vice Chair, Treasurer and Secretary, and the staff members to serve as Assistant Treasurer and Assistant Secretary. (USAC’s Chief Financial Officer typically serves as the Assistant Treasurer, and the General Counsel typically serves as the Assistant Secretary.)

Deferment of Nominating Process Under Certain Circumstances. The nominating process assumes that the FCC Chair has selected individuals to fill expiring terms of members from the prior two years, as well as members whose terms expired on the immediately preceding December 31 (i.e., all expiring term seats have been selected by the FCC Chair and elected to the Board prior to consideration of members for the chair, vice chair, and officer positions). When this has not occurred, which has periodically been the case, the Audit, Executive Compensation, HCLI, RHC and SL committee chairs and vice chairs, as well as the Nominating Committee can (following consultation with the Board Chair, the Vice Chair, the CEO, and the General Counsel), choose to defer making recommendations until the FCC Chair has made Board selections.

Incumbent Preferences. Traditionally, an incumbent committee chair and vice chair retain their positions if they so choose, but there is no rule or policy requiring such practice. Any Board member can serve as Board Chair, Vice Chair, Treasurer or Secretary. As with the committee chair and vice chair positions, the incumbents traditionally retain their positions if they so choose, but there is no rule or policy requiring such practice.

Board Committee Composition

**SL Committee:**

47 C.F.R. Section 54.705(a)(2) provides that the SL Committee will include the following eight seats: three school representatives; one library representative; one Tribal communities representative; one service provider representative; one at-large representative; and the USAC CEO. On July 26, 2016, at the recommendation of the Nominating Committee, the Board of Directors added two at-large positions to the SL Committee.7

**HCLI Committee:**

The composition of the HCLI Committee was originally set forth in a 1998 FCC order (FCC 98-306, ¶¶ 34 and 38). Although the FCC did not include the HCLI Committee composition requirements in 47 C.F.R. Part 54, the Order sets the size (nine) and membership of the committee, which USAC included in Article II, Section 8 of its By-laws as follows: two ILEC representatives (one representing rural telephone companies and one representing non-rural telephone companies); one wireless representative; one CLEC representative; one low income representative; one interexchange carrier representative; one state consumer advocate; one state telecommunications regulator representative; and the USAC CEO. On July 26, 2016, at the recommendation of the Nominating Committee, the Board of Directors added two at-large positions to the HCLI Committee.8

**RHC Committee:**

47 C.F.R. Section 54.705(a)(2) provides that the RHC Committee will consist of the following eight seats: two rural health care representatives; one service provider representative; two at-large representatives elected by the Board; one state telecommunications regulator; one state consumer advocate; and the USAC CEO.

**Audit Committee:**

2024 Tribal Libraries Pilot Program

- Kicked off the 2024 Tribal Libraries Pilot Program while attending the ATALM conference.

- Based on participant feedback, tools have been developed to break up the application process into activities that are easier to understand.
E-Rate Funding Year Activities

E-Rate is a year-long process, and it is important to meet each deadline. Use this timeline to help stay on track. Please note that these activities are for the Funding Year, which starts in July and ends in June.

**First Step**
- **November**
  - The FCC Form 470 can be filed as early as July 5 of the prior funding year, but many applicants file in November.

**December**
- After filing the FCC Form 470, wait at least 28 days before selecting a service provider.

**January**
- As you start to receive bids, construct an evaluation to compare options and select the most cost-effective one.

**February**
- On or after the 29th day, you may select a service provider and enter into a service agreement.

**Before You Begin**
- To prepare for the E-Rate application process, identify your school or library's IT needs, determine your eligibility, register for an FCC Registration Number (FRN), create a user profile in the In E-Rate Productivity Center (EPC), obtain a Billed Entity Number (BEN), and designate your entity's Tribal status in EPC.

**Waiting 28 Days**
- Application Window
  - Application window generally runs from January to March.

**Selecting a Service Provider**
- FCC Forms 471 undergo Program Integrity Assurance (PIA) review. You may ask your vendor for help with the PIA process. If you notice errors on your FCC Form 471, you can submit corrections.

**Applying for Discounts**
- (FCC Form 471)

**Applying for Invoicing**
- (FCC Form 486)

**Starting Services**
- (FCC Form 486)

**Invoicing**
- Invoices can be submitted and paid for during the collection period.

**Last Step**
- **October**
  - The invoice deadline is generally 120 days after the last date to receive service. The October deadline is for the prior funding year’s recurring services that were to be delivered by June 30.

- **July**
  - As you start E-Rate services, file the FCC Form 470 for each year in which you participate in E-Rate. Start evaluating what you need for the next funding year.

- **April - May**
  - FCC Forms 471 undergo Program Integrity Assurance (PIA) review. You may ask your vendor for help with the PIA process. If you notice errors on your FCC Form 471, you can submit corrections.

- **March**
  - The FCC Form 471 filing window generally runs from January to March.
