Previously, on November 28, 2022 the Board authorized USAC to award a contract to a new vendor, Navient B.P.O., LLC, for the Affordable Connectivity Program (ACP) call center services. On December 12, 2022, the Board authorized USAC to increase the total not-to-exceed amount of the contract with the current vendors, Conduent State & Local Solutions, Inc. and Ernst & Young LLP, to ensure a smooth transition to the new vendor. Due to higher call volumes than anticipated and to ensure a seamless vendor transition, USAC management requested modifications of the contract with the Conduent State & Local Solutions, Inc.

**Consideration of a Contract Modification for Affordable Connectivity Program Call Center Services.** On January 20, 2023, briefing papers were distributed to the Board requesting members to vote electronically for this matter pursuant to Article II, Section 9 of USAC’s By-laws. Responses to approve a contract modification for ACP call center services were timely received by January 23, 2023, providing unanimous consent from all 19 Board members. The Board adopted the following resolution:

**RESOLVED,** that the USAC Board of Directors, having reviewed the recommendation of USAC management, hereby authorizes management to modify the Affordable Connectivity Program (ACP) call center services contract with Conduent State & Local Solutions, Inc. (1) by increasing the total not-to-exceed amount of the contract by $4,100,000.00 (plus applicable taxes) from $33,140,000.00 to $37,240,000.00 (plus applicable taxes), and (2) by extending the contract period of performance end date from February 15, 2023 to April 15, 2023, to account for expenses associated with continued call center support during the transition to a new vendor, subject to required Federal Communications Commission approval. Amounts associated with these services will be expensed using congressionally appropriated funds and not the Universal Service Fund.
