Agenda for Lifeline's Q1 Tribal Training and Open Forum

March 9, 2022

Dear Tribal Leader,

The Lifeline program is excited to announce that we will be hosting a virtual Tribal training where Tribal Nations can provide feedback about the Universal Service Administrative Company’s (USAC) processes. The Lifeline program, which is administered by USAC under the policy guidance of the Federal Communications Commission (FCC), offers a monthly discount of up to $9.25 toward phone or internet services for eligible consumers and up to $34.25 for eligible consumers living on Tribal lands.

Additionally, qualifying residents of Tribal lands can receive reimbursement for the full cost of starting service with certain phone or internet companies at their primary residence, up to $100, through Lifeline’s Tribal Link Up benefit.

This year, USAC will continue to host free quarterly Lifeline trainings for Tribal partners (e.g., Tribal governments and government agencies and nonprofits serving Tribal communities) to enhance collaboration with Tribal communities. Lifeline’s next Tribal training will feature an overview of the Lifeline program, updates, and an open forum to discuss how the Lifeline program can better serve the Tribal communities.

We highly value your feedback and we hope to have participation from your Tribal Nation. We are asking for your help by sharing information outlined below about the Lifeline program and our upcoming Training opportunities with your networks of Tribal programs.

Lifeline’s Q1 Tribal training is on **Wednesday, March 16, 2022, from 3 p.m. to 4 p.m. ET.**
