Invoicing Overview
What is the applicant process?

1. Competitive Bidding
2. Apply for Discounts
3. Start Services
4. Invoice USAC
Invoicing Reminders & Key Takeaways

- Ensure you have the accurate FCC Form 471: FRN, discount rate, approved cost of service, calculations and invoice amount.
- **Remove ineligible** items (equipment and services not approved on FCC Form 471, for FY and ROS).
- Respond to all outreach **completely and timely** to expedite your payment.
- To **prevent duplicate** invoice submission, establish a process to track/identify each invoice.
- Retain your **supporting documentation** and bills for all invoices for at least 10 years.
- Make sure all equipment purchased is **installed and in use before the Service Delivery Date.**
- Invoices may be submitted until **Invoice Deadline Date** or request a one-time invoice deadline extension.
- **Appeals** must be submitted to USAC within 60 days of the date when USAC issued the decision. Waivers should be filed directly with the FCC.
Invoicing Reminders & Key Takeaways

- Payments:
  - **BEAR Invoices**: Applicant has paid service provider in full and before invoicing E-Rate.
  - **SPI Invoices**: Applicant pays the service provider their non-discounted portion Service Providers should bill their customers for:
    - 1: the non-discounted portion of costs for the approved eligible equipment/services and
    - 2: any costs for the ineligible portions of products/services before submitting the FCC Form 474.
  - Ensure you file for BMIC services correctly. Mistakes are often identified during invoicing. See our FAQs on how to fix misclassified equipment and services on your 471.
  - Invoice USAC only for your FCC Form 471 approved eligible equipment/services, in the correct quantity and rates, and delivered only to the approved ROSs.
  - Ensure the speed is properly listed under the approved FRN. If you’re using a flexible bandwidth speed, ensure you are using the min/max field on the FCC Form 471.
  - Invoiced amount must be actual charges, not the amount committed through the E-Rate program.
  - Check your manual calculations (e.g., your prorated amounts must be accurate).
  - Billed rates must not exceed the contracted rate. USAC will only pay up to the contracted rate.
