# **Pilot Program: Post-Commitment Change Request Overview**

# Post-Commitment Change Request Overview

- After the Pilot FCC Form 471 is certified and submitted, Pilot Program participants have the opportunity to modify certain information using the Post-Commitment Change Request Form, also known as the Pilot FCC Form 488.
- Below are some examples of when you might use the Pilot FCC Form 488:
  - Change Invoicing Method;
  - Change Service Provider;
  - Change Service Start Date and/or Service End Date;
  - Cancel Funding Request Number (FRN) Line Items;
  - Site and/or Service Substitution; and
  - Modify Funding Commitment Amount for FRN Line Items.

# Post-Commitment Change Requests Overview

- Post-commitment change requests must be filed through the Cybersecurity Pilot Program Portal and by the last day to receive service/equipment for the applicable FRN or FRN Line Item.
- The last day to receive service/equipment and the Invoice Deadline Date can be found in your Funding Commitment Decision Letter (FCDL) in the Cybersecurity Pilot Program Portal.
- Only Pilot Program participants can file the Pilot FCC Form 488. Service providers cannot submit the form.
  - As a service provider, if you need to request a post-commitment change, please contact USAC for further assistance.

# Return Funding

- USAC will not process Pilot FCC Form 488 requests that will result in a recovery action because funds have already been disbursed prior to the requested change. These changes include, for example, changing the invoice mode. To process and approve such post-commitment change request, the disbursed funding must be returned first before the FCC Form 488 is submitted.
- Directions to return funds using USAC's [Make a Payment](#) page are included in the [Pilot FCC Form 488 User Guide](#).
  - Please note the list of required details to include when returning funding.

#### Site and/or Service Substitution

Site substitutions for school districts and library systems are permitted during the three-year Pilot period, but **only** in limited circumstances, such as where there is a merger or closure that would result in a site swap (i.e., switching out a closed location with a new location) or the removal of a site location.

Participants must meet the following requirements to request a site and/or service substitution:

- The substitution is permitted by the contract, within the change clause, or constitutes a minor modification;
- The substitution does not violate any contract provision or local, state, or Tribal procurement laws;
- Support is restricted to eligible site and service substitutions that do not increase the total amount of funding beyond the applicable funding commitment;
- The substitution does not result in an increase in the percentage of ineligible services or equipment; and
- The substitution is consistent with the Pilot FCC Form 470 posting and the corresponding Request for Proposal(s) (RFP), if any.

**I certify under oath that**

- I am authorized to submit this form on behalf of the above-named participant or service provider and that based on information known to me or provided to me by employees responsible for the data being submitted, I hereby certify that the data set forth in the application has been examined and is true, accurate, and complete. I acknowledge that any false statement on this application or on any other documents submitted by this participant or service provider can be punished by fine or forfeiture under the Communications Act (47 U.S.C. §§ 502, 503(b)), or fine or imprisonment under Title 18 of the United States Code (18 U.S.C. § 1001), or can lead to liability under the False Claims Act (31 U.S.C. §§ 3729-3733).
- In addition to the foregoing, this participant or service provider is in compliance with the rules and orders governing the Schools and Libraries Cybersecurity Pilot Program, and I acknowledge that failure to be in compliance and remain in compliance with those rules and orders may result in the denial of funding, cancellation of funding commitments, and/or recoupment of past disbursements. I acknowledge that failure to comply with the rules and orders governing the Schools and Libraries Cybersecurity Pilot Program could result in civil or criminal prosecution by law enforcement authorities.
- By signing this form, I certify that the information contained in this form is true, complete, and accurate, and the projected expenditures, disbursements, and cash receipts are for the purposes and objectives set forth in the terms and conditions of the Federal award. I am aware that any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me to criminal, civil, or administrative penalties for fraud, false statements, false claims, or otherwise (U.S. Code Title 18, §§ 1001, 286-287 and 1341, and Title 31, §§ 3729-3730 and 3801-3812).
