Lifeline Claims System (LCS) v.2.4.0 Production Release Notes

System Enhancement in LCS 2.4.0

Enhancements to the "Filing History" page:

- New "search" and "PDF" services added that enable users to review the history of certified (original and revised) Lifeline claims and to download a printable PDF

The "Filing History" archive in LCS includes:

- All 2018 and future original and revised certified claims submitted through LCS
- The most recent original and or revised certified FCC Forms 497 submitted through E-File (FY 2017 and prior)

Note: Original and revised paper FCC Forms 497 submitted by email, fax, or email are not retrievable in LCS.
