Pre-Production Release Notes

Update conditional requirements for BQP fields: the BQP Last Name, BQP First Name, BQP Date of Birth, and BQP Last 4SSN/BQP Tribal ID are now all required if any BQP field is provided.

Added one new error code:

CANNOT_UPDATE_BQP_IDENTITY_FIELDS - the BQP DOB and BQP Last 4 SSN/BQP Tribal ID cannot be updated once a subscriber has been enrolled.

An updated message description to the error code INCOMPLETE_BQP_INFORMATION.
