About RHC Connect for the FCC Form 466

**RHC Connect** is the web-based system that hosts the FCC Form 466. Although the look of the application has changed, the FCC Form 466 did not. To submit your FCC Form 466, you will be asked the same questions and are required to provide the same information as in years past. No preparation for this change is required by you.

The Funding Year (FY) 2024 filing window will open on December 1, 2023, and close on April 1, 2024. Click on the following hyperlink to view the [FY2024 Program Calendar](#). Applicants submitting FCC Forms 467 and the Telecom Invoice (for funding commitments prior to FY2024) will continue to do so in My Portal.

**Please Note:** The red boxes and arrows in the screenshots that follow do not actually appear in RHC Connect.
RHC Connect Walkthrough

**Step 1:**
Log into My Portal and click on **RHC Connect**.

**Step 2:**
Here you can start a new form, resume working on a draft, or delete a draft FCC Form 466. There’s a countdown banner displaying the days remaining in the filing window. The clock on the right is the current date and time.
Step 3:
Click **FCC Form 466**. Then, click **Next**.

Step 4:
Move to the **Start** page and select the HCP from the drop-down menu. The information will be prepopulated based on information in the FCC Form 465. Enter an **Application Nickname** as an identifier for the application should you need to exit the form and return later. The note at the top in pink is a warning to alert you that once you click **Save and Continue**, you will be unable to change the HCP you select.
Step 5:
Answer **Yes** if you are exempt from competitive bidding and **No** if you submitted an FCC Form 465 and completed your competitive bidding process.

Click the arrow beside **Explanations** to view a description of each competitive bidding exemption.
**Step 6:**
If you are exempt from competitive bidding, select the exemption from the list of eligible exemptions. Click **Add Contract** at the bottom right on the screen.

**Step 7:**
If using an evergreen contract, an existing contract must be selected from the drop-down menu. For all other exemptions, upload a new contract or choose an existing contract. Enter the relevant information about the contract in the fields. Use the drop-down calendar to enter dates. Click **Save**.
Step 8:
Once the contract is selected and saved, click **Save and Continue**.

Step 9:
Choose **No** for the question about qualifying for an exemption if the HCP went through the competitive bidding process. Select the related FCC Form 465 from the drop-down menu. All FCC Forms 465 submitted for the HCP will be available. Answer **Yes** or **No** to the question about whether bids were received in response to the posted FCC Form 465. If **Yes**, enter the number of bids received and upload copies of those bids by clicking **Add Documents**. A red error message will display if you don’t upload the documents.
Step 10:
Click **Yes** on the radio button to copy **Bill Payer Information** from another FCC Form 466. Please note, the only FCC Forms 466 that are available are those that have already been submitted in RHC Connect from the same HCP. Click **No** to enter information into required fields. Then click **Save and Continue**.

Step 13:
For data services, answer the question: **Is this service symmetrical?** And enter bandwidth. If **No** is selected, enter **Download Bandwidth** and **Upload Bandwidth**. If **Yes** is selected, only one bandwidth is required. Click **Save and Continue**.
Step 14:

If the HCP is a consortium member or the circuit uses more than one carrier, please attach a circuit diagram as indicated on this page. Click Save and Continue.
