About RHC Connect for the FCC Form 463

**RHC Connect** is the web-based system that will host the FCC Form 463 beginning in funding year (FY) 2022. Although the look of the application has changed, the FCC Form 463 did not. To submit your FCC Form 463, you will be asked the same questions and are required to provide the same information as in years past. No preparation for the platform change is required by you.

**RHC program applicants can submit their FCC Forms 463 for approved FY2022 funding requests (FCC Forms 462). Applicants will continue to use My Portal to submit invoices for all prior year funding commitments.** RHC Connect affects only Healthcare Connect Fund (HCF) participants and applies to the FCC Form 463 beginning in FY2022. Forms for the Telecom Program or the Connected Care Pilot Program (CCPP) are not affected. Please continue to access My Portal for FCC Forms 460 and 463 for funding years prior to FY2022. You can also access FCC Forms 461 and 462 submitted prior to FY2022.
