## RHC Program News for June 2019

---

### **FCC Releases Order 19-45**

On May 20, 2019, the Federal Communications Commission (FCC) released [FCC Order 19-45](#) affecting Healthcare Connect Fund (HCF) Program participants with FY2018 multi-year and upfront payment funding requests. For FY2018, multi-year and upfront payment funding requests exceeded the \$150M cap. In the Order, the Commission suspended its rule allowing for multi-year commitments in the HCF Program for FY2018 and directed USAC to process these requests as single-year funding requests. Without such direction, the multi-year funding requests were facing a significant proration. The Order also extended the

FY2019 filing window deadline to June 30, 2019 for HCF Program applicants that: (1) filed FY2018 multi-year and upfront payment funding requests either individually or as part of a consortium; and (2) did not receive a funding decision on their FY2018 funding request from USAC by May 20, 2019.

### **Coming Soon! RHC Website Updates**

Over the next few months, RHC will be refreshing the content on the RHC public website, [usac.org/rhc](http://usac.org/rhc). Our goal is to make information easier to find and understand for all applicants, and changes will include consolidating information and simplifying the content. Don't worry! We will share more information about any changes before they happen.

### **Important Reminders**

#### **Notice: My Portal No Longer Supported by Internet Explorer**

Please be sure to using Google Chrome or Mozilla Firefox to ensure your RHC Program forms and supporting documentation are submitted.

#### **What to do if You Receive an Information Request**

USAC cannot complete their review of FCC Forms submitted with incomplete or missing documentation, and RHC reviewers will reach out to all account holders (the primary and all secondary and tertiary account holders associated with that HCP) with a request for additional information ("Information Request"). Information Requests are sent to collect any missing documentation, address deficiencies, or to ask clarifying questions about the FCC Form. If you receive an Information Request, you must respond to it within 14 calendar days. Failure to respond within the 14 calendar day timeframe will result in a denial of funding, so be sure to meet that deadline.

Information Request Tips for the Telecom Program

- **Very important:** Applicants can receive Telecom Information Requests through My Portal OR through email
  - For Information Requests inside My Portal, applicant should respond inside My Portal only
  - For email Information Requests, applicant should "Reply All" to respond to the Information Request
- Use Chrome/Firefox Only when using My Portal
- When uploading a document as a response, the document should be limited to 10MB
- When uploading a document as a response, the document name should not contain any special characters, only letters and numbers

Information Request Tips for the HCF Program

- Applicants receive HCF Program Information Requests through email and should "Reply All" to respond to an Information Request

#### **FCC Form 460 Best Practice**

During the submission of an FCC Form 460 (HCF Eligibility and Registration Form), we recommend that applicants upload any supporting documentation necessary to validate

form data to the “Supporting Documentation” section. This includes any documentation that is relevant to the required fields of the FCC Form 460. Doing so creates additional visibility into the HCP and increases the chance of a faster review. A few examples include:

- Hospital licenses, with the address clearly posted, to verify a non-profit hospital
- A recent bill or lease, with the address clearly posted, to verify the HCP address provided on the FCC Form 460
- Public tax documents to verify the Non-Profit Tax ID (EIN)
- Health Resources and Services Administration (HRSA) accreditation to verify a community health center

Please keep in mind that the FCC Form 460 review can take up to 30 days. You can submit your FCC Form 460 at any time during the funding year.

### **Filing an Appeal**

Any party that wishes to appeal a USAC decision must file an appeal with USAC within 60 days of the date when USAC issued the decision. All appeals must be sent to [RHC-Appeals@usac.org](mailto:RHC-Appeals@usac.org). The following information must be included in the appeal:

- Applicant or service provider who is filing the appeal (i.e. HCP number, service provider’s 498 ID (SPIN))
- Contact information of the person who can discuss the appeal with USAC in detail (include name, address, telephone number, and email address)
- Documentation of USAC’s decision (e.g., copy of USAC’s decision letter being appealed)
- Supporting documentation such as forms and previous correspondence with USAC
- A precise explanation of the relief sought through the appeal

USAC may reach out for additional information while reviewing your appeal, but failure to provide all of the information above within the 60 days may result in denial of your appeal. Parties seeking a waiver of FCC rules (e.g., waiver of deadlines) should file an appeal directly with the Commission because USAC cannot waive FCC rules. For more information on filing appeals with USAC or the FCC, please visit the [appeals page](#) of the USAC website.

### **Consortia Resources**

HCF Program applicants who may be interested in forming a consortia can download three new resources to help them get started:

- [Consortia Getting Started Tip Sheet](#)
- [Forming a Consortium Tip Sheet](#)
- [FCC Form 461 and 462 Tip Sheet for Consortia](#)

### **Account Holder Guidance**

USAC recommends having at least one secondary account holder per HCP. We’ve created guides for primary account holders with instructions for adding additional account holders in My Portal:

- [Telecom Account Holder Guide](#)
- [Healthcare Connect Fund Account Holder Guide](#)

### **LOA/TPAs Must be Up to Date**

In order to be considered eligible for funding in FY2019, [Letters of Agency \(LOA\)](#) and [Third Party Authorizations \(TPA\)](#) must be up to date through FY2019, at a minimum. Be especially mindful if you are an HCP using a consultant, a consortium leader, or a consultant filing on behalf of a consortium leader. Before submitting a form, please check to ensure your authorization documents are up to date. FCC Forms 462 and 466 submitted with expired LOAs or TPAs will result in applicants receiving Information Requests.

- Download a [Sample TPA](#) or [Sample LOA](#)
- For more information about submitting LOAs, please see the [submission guide](#)
