## Competitive Bidding

Is the HCP requesting that this application be exempt from competitive bidding?

☐ Yes  
☐ No

Explanations

If your site meets one of the competitive bidding exemptions below, you are not required to submit the FCC Form 461 and go through the competitive bidding process. You are exempt from competitive bidding if any of the following apply:

- Government Master Service Agreement (MSA):** You are seeking support for services and equipment purchased from master service agreements (MSAs) negotiated by a federal, state, Tribal, or local governmental entity on the applicant's behalf, and awarded pursuant to applicable federal, state, Tribal, or local competitive bidding requirements.
- Master Service Agreements (MSA) Approved Under the Rural Health Care Pilot Program or HCF Program:** You are opting into an existing MSA approved under the Rural Health Care Pilot program or the HCF program and seeking support for services and equipment purchased from the MSA, as long as the MSA was developed and negotiated in response to an RFP or request for services that specifically solicited proposals that included a mechanism for adding additional sites to the MSA.
- Evergreen Contract:** You have an existing contract already endorsed by USAC as evergreen.
- Schools and Libraries Program Master Contracts:** You are an eligible HCP in a consortium with participants in the Schools and Libraries (E-rate) program and are purchasing services and/or network equipment under a contract approved under the E-rate program as a master contract.
- Annual Undiscounted Cost of \$10,000 or Less:** If you are seeking support for \$10,000 or less of total undiscounted eligible expenses for a single year you may bypass the competitive bidding process.
  - For consortia applicants, this exemption is \$10,000 for all funding requests submitted for the consortium.
  - Note: If you select this option on your FCC Form 462, you will not be able to request a multi-year funding commitment.

# Best Practices – Competitive Bidding

- Begin your competitive bidding process early.
  - Bidding period opened on July 1, 2021 for FY2022.
- Once your ACSD has passed and you've chosen a service provider, include them when you reply to Information Requests via email.
- Ensure your service provider is aware of all the necessary documentation needed for future steps in the application process.
- All bid correspondence should be handled via email for audit purposes.
- HCPs and service providers are required to retain documentation for a minimum of five years.

# Best Practices – FCC Form 462 (Funding Request)

- Do not enter into an agreement with a service provider until after the ACSD has passed
- Include all required documentation when submitting your FCC Form 462
- Include a cover letter if needed to clarify information entered into the FCC Form 462
- If submitting funding requests for equipment, data center or administrative offices or network expenses, tip sheets can be found on the [Step 4: Submit Funding Requests](#) webpage under the Additional Resources section
- Be sure to actually sign, certify and submit FCC Form 462 before 11:59 p.m. ET on June 1, 2022 (Drafts are not considered submitted)
- HCPs and service providers are required to retain documentation for a minimum of five years

- What is Consortium?

**Welcome to RHC Connect**

USAC is excited to introduce RHC Connect, the updated platform used to submit your FCC Form 462 (Funding Request Form). RHC Connect is the web-based system used to host the form, and was updated for Funding Year 2022 to improve user experience. This modernized portal is easier to navigate and allows RHC program reviewers to approve funding requests faster, so that you can benefit from the Healthcare Connect Fund (HCF) Program sooner.

RHC Connect bridges the gap between our external stakeholders and the resources to obtain Universal Service Fund (USF) funding. This funding helps to connect rural communities with healthcare services, and represents USAC's commitment to transparency, customer service, and communication with our applicants. Providing these connections is the sum total of what the RHC program supports: healthcare provider (HCP) applicants, service providers, and the rural communities they represent.

Please note that RHC Connect was previously referred to as My Portal Platform Update.

**New Look, Same Form**

Although the platform changed, the FCC Form 462 itself did not. To submit your funding request, you are asked the same questions and need to provide the same information as in years past. No preparation for the platform change is required by you.

**NOTE:** If you have already created or submitted a draft of your FCC Form 462 in My Portal, we strongly encourage you to save and download a copy so you do not lose your work, as any drafts in the system will not be migrated to the new platform. View the [Step-by-Step Guide](#) to learn how to save your draft.
