Webinar Overview

In this webinar, designed for Service Providers new to USAC, we’ll cover the basics of the 498 ID and the 499 ID, their difference and how to request them.
Agenda

1. 498 ID & 499 ID Purpose
2. Form 498 Registration
3. Form 499-A Registration
4. Questions
498 ID & 499 ID

What are these IDs?
What The IDs Are

**498 ID**
Takes it’s name from the registration form - FCC Form 498  
Identification used to *receive* Universal Service funding.

**499 ID**
Takes it’s name from it’s registration form – FCC Form 499-A  
Identification used to *contribute* to the Universal Service Fund.
### 498 Identification Number

498 ID Registration

Applicants
Start by going to the USAC home page www.usac.org

Find the blue “Sign In” button at the top of the page.

Select “EPC Only” from the drop down menu.

Registration is completed on-line. No paper copies accepted.

**NOTE!** New users to EPC will need to get a username and password first by calling the SLD’s Client Service Bureau at 888-203-8100.
Once the user is logged in to EPC, from the “Landing Page”, you’ll select from the top row, the tab titled “Records”.

Instructions for Applicants
The resulting screen in EPC will list the records related to this applicant.

From this list, you will select the one titled “Applicant Entries”.

Instructions for Applicants
Select ‘Related Actions’ from the left hand navigation.

Click on ‘Create FCC Form 498’.

Follow the online directions and start entering the data.

It’s not going to look like the paper form, but the online data entry program will ask you for the same information that is required on the paper form.

At the end, you’ll be prompted to upload your banking validation documentation. It’s important to do this – USAC won’t review the form without one.

499 ID Registration Information

Information to have prior to starting your 499 ID Registration

• FCC Registration Number (FRN)
  o You can register with the FCC here: https://www.fcc.gov/licensing-databases/fcc-registration-commission-registration-system
  o The information you enter on your 499 registration Form MUST MATCH the information associated with your FRN in the FCC’s CORES system

• All carriers and VoIP providers registering for a 499 Filer ID must identify a “DC Agent for Service of Process”. The physical location address of the DC Agent must be in “Washington, DC” as well as having a DC-based area code.

• Registration consists of completing a Form 499-A, with only the administrative information. No revenue information required for initial registration.

• You can save partially completed 499-A forms for up to 30 days, prior to “officially” submitting it to USAC.
Start by going to the USAC home page
www.usac.org

Find the blue “Sign In” button at the top of the page.

Select “All Users” from the drop down menu.

Registration is completed on-line. No paper copies accepted.
USAC refers to this screen as the ‘E-File login page’.

SCROLL to the bottom of the page and select the option ‘Create an account’.
On this page, select the option ‘Service Provider – 499 ID’.

It’s the second option in the list.
1. Submit an FCC Form 499-A with USAC through E-File
   • For registration purposes, you will not be required to enter revenue information.
2. Register with a valid company officer email address – NOT a generic one.
   • Email addresses that go to a generic box will not be accepted.
3. Filer will have the opportunity to save their data entry before submitting
4. New registration must be completed within 30 days
5. USAC will review form within 72 business hours
6. If the reviewer has any questions, they will be sent via email from ‘Form499@usac.org’.
Select the telecommunications services your company provides by moving them from the box on the left over to the box on the right.
Enter the EIN or tax ID number
Form 499 – Online Registration

Page requiring main company identification details.

Please include all trade names used.
Online form will prompt the user if any information is missing or entered in an incorrect format; highlighting fields with errors and displaying error messages in a red box.

Several more entry screens of different contact information is required; form preparer, company officers, billing contact, DC Agent for Process.
Upon completion of all required contact information, the system will prompt you to review the form.

A pop up window will display a .pdf version of the form with the data input.

Certify to submit the form to USAC and this screen will appear upon successful submission.
1. Upon USAC approval – 2 emails will be sent to Company Officer
   • Assignment of 499 ID & Required 499 filings (both Quarterly and Annual)
   • Company Officer User ID setup
2. The Company Officer should set up authorized users in E-File (Form Preparers or persons responsible for paying contributor invoices)
3. Make a note of the filing deadlines!
   • 1st day of February, May, August and November (Form 499-Q)
   • April 1st (Form 499-A)
