How to File the Form 499-Q

Questions

November 499-Q Notes

1. The November FCC Form 499-Q must be filed by Monday, November 2, 2020
 - Revisions must be completed by Thursday, December 17, 2020.
2. This 499-Q is your first estimate for revenues in calendar year 2021, reported on Lines 119 & 120 of the 499-Q form.
3. If you plan on changing your method for determining interstate revenues from Safe Harbor to a traffic study or actuals, this is the form you should make the change on, to be reflected for the entire calendar year 2021.
4. For calendar year 2020, filers that bill less than **\$52,318.66** of combined interstate and international revenues will be considered *de minimis* for 2020. This is not an estimate, this is the final number.
5. REMINDER! Filers are no longer required to email USAC their quarterly traffic studies.....
however you need to save them and submit as documentation to support your jurisdictional breakout on the 2021 FCC Form 499-A (next year's form).

Quarterly Filers

Who is Required to File the 499-Q

Types of FCC Form 499

FCC Form 499-A

1. Required for all filers
2. The [FCC Form 499-A](#) is the annual form used to report the company's *actual* revenue billed during the prior calendar year.
3. The FCC Form 499-A is due annually on April 1.

FCC Form 499-Q

1. Required for all non-*de minimis* filers
2. The [FCC Form 499-Q](#) is used to *project* or *forecast* the company's revenue for the next calendar quarter.
3. The FCC Form 499-Q due dates:
 - February 1
 - May 1
 - August 1
 - November 1

ALL FCC Forms must be submitted online through E-File. Paper copies are not accepted.

Who Must File

1. Every non *de minimis* telecommunications company must file the FCC Form 499-Q.
2. *De minimis* filers are not required to file the FCC Form 499-Q, but they are requested to email USAC each quarter to notify of their continued *de minimis* status for the upcoming quarter.
 - ◇ Send the email to 'Form499@usac.org'
 - ◇ Include your Filer ID, Company name and the reporting period (i.e February 499-Q) for which you expect to be *de minimis*.

So the key question is - what exactly is a *de minimis* company??

Define “*de minimis*”

Definition of *de minimis*

A filer qualifies for *de minimis* status for a given calendar year when the revenue reported on its corresponding FCC Form 499-A is such that the calculated annual contribution to the federal Universal Service Fund is less than \$10,000.

Which leads to the question, “How do I know what my annual contribution will be for a quarter?”

Looking at it from a REVENUE standpoint, USAC can only “guestimate” (based on the FCC estimation factor) what the *de minimis* revenue threshold will be for calendar year 2021, as we don’t know the contribution rates in 2021 will be yet.

For calendar year 2020, filers that billed less than **\$52,318.66** of combined interstate and international telecommunication revenues will be considered *de minimis* for 2020.

◇ This is not an estimate, as the contribution factors for calendar year 2020 are all final.

The FCC Form 499-Q includes a table to help you determine your status each quarter.

We’ll look at that next. 10

Help determining “*de minimis*” status

Included in the instructions for every FCC Form 499-Q is a table (Figure 1) designed to help the filer determine if they are *de minimis* or not.

Prior to completing the table, you must ‘manually’ fill out a 499-Q, because the revenue numbers reported on your draft copy will be used to complete the table.

Complete the table in Figure 1 of the 2020 FCC Form 499-Q instructions to determine if your projections qualify you as a *de minimis* filer for the upcoming quarter.

Note: Actual contribution factors for future quarters may increase or decrease depending on quarterly changes in program costs and the contribution base.

IMPORTANT: *IF* the actual Contribution Factor exceeds the *Estimation* factor (.212) for a quarter you may receive an invoice from USAC, unless you have sent an email during the 499-Q open period notifying us that the company expects to be *de minimis*.

Let’s look at the Figure 1.

Figure 1
Table to determine if a contributor meets the *de minimis* standard for purposes of universal service contribution during 2020

1	Interstate contribution base for the quarter for filer (amount reportable on filer's FCC Form 499-Q; Line 120(b))	\$
2	International contribution base for the quarter for filer (amount reportable on filer's FCC Form 499-Q; Line 120(c))	\$
3	Interstate contribution base for the quarter for all affiliates* (total of amounts reportable on FCC Form 499-Q; Line 120(b) for all affiliates of the filer)	\$
4	International contribution base for the quarter for all affiliates (total of amounts reportable on FCC Form 499-Q; Line 120(c) for all affiliates of the filer)	\$
5	Consolidated interstate contribution base: Line (1) + Line (3)	\$
6	Consolidated international contribution base: Line (2) + Line (4)	\$
7	Total potential contribution base for filer and its affiliates: Line (5) + Line (6)	\$
8	Combined interstate contribution base as a percentage of total potential contribution base: Line (5) / Line (7)	%
9	Interstate contribution base for filer from Line (1)	\$
10	If the amount in Line (8) is equal to or greater than 12%, enter into Line (10) the international contribution base for the filer from Line (2). If the amount on Line (8) is less than 12%, enter \$0 (See 47 CFR § 24.706(c))	\$
11	Revenue base for the filer for the quarter for determining contributions to universal service support mechanisms: Line (9) + Line (10)	\$
12	If the projected revenues on Lines (1) and (2) include projected pass-through charges for contributions to federal universal service support mechanisms, enter the total amount of projected pass-through charges. If the projected revenues on Lines (1) and (2) do not include any universal service pass-through charges, enter \$0.	\$
13	Contribution base: Line (11) – Line (12)	\$
14	Annualizing multiplier	4
15	Annualized contribution base: Line (13) multiplied by Line (14)	
16	2020 Estimation factor for determining whether to file a 499-Q	0.212**
17	Estimated annual contribution: amount in Line (15) multiplied by Line (16)	\$

* Unless otherwise specifically provided, an affiliate is a "person that (directly or indirectly) owns or controls, is owned or controlled by, or is under common ownership or control with, another person." For this purpose, the term "owns" means to own an equity interest (or the equivalent thereof) of more than 10 percent. See 47 U.S.C. § 153(2).

** The estimation factor is based on a contribution factor of 0.270, which is higher than the contribution factor announced for any quarter of 2019, and a corresponding circularity factor of 0.212355. The public notices announcing the quarterly contribution factors are available at <http://www.fcc.gov/encyclopedia/contribution-factor-quarterly-filings-universal-service-fund-usf-management-support>.
Note: Actual contribution factors for future quarters may increase or decrease depending on quarterly changes in program costs and the contribution base. Filers whose actual contribution requirements total less than \$10,000 for the calendar year will be treated as *de minimis* and will receive refunds, if necessary. Filers whose actual contribution requirements total \$10,000 or more are required to contribute to the universal service support mechanisms and must file this Worksheet.

499-Q Figure 1*

Lines 3 & 4 report revenue for affiliates

Lines 5 & 6 report consolidated revenue

Lines 8 & 10 are used to determine if a carrier is LIRE (mainly international usage)

Line 12 is used to back out any federal USF you invoice your customers (this would be included in lines 1 & 2, but not included in base)

If Line 17 results in \$10,000 or less, then you are *de minimis*.

Monthly Invoice

How USAC uses the revenue on the 499-Q

DETAILED SUMMARY OF CHARGES AND CREDITS

SUPPORT MECHANISM CHARGES

Your monthly support mechanism charges were calculated according to the following formulas:

Quarterly Contribution Base

The quarterly contribution base is a portion of your quarterly revenue that USAC considers when determining your quarterly Universal Service Fund contribution. The quarterly contribution base equals your interstate plus international revenue. Your current quarterly contribution base equals:

$$\frac{\$ 108,378.00}{\text{Interstate Revenue (Line 120B)}} + \frac{\$ 0.00}{\text{International Revenue (Line 120C)}} = \frac{\$ 108,378.00}{\text{Quarterly Contribution Base}}$$

Adjusted Quarterly Contribution

USAC adjusts carriers' quarterly contribution bases by the amount that they are expected to contribute in that quarter. The calculation for an adjusted contribution amount is as follows, and takes into account the circularity deduction:

$$\frac{\$ 108,378.00}{\text{Quarterly Contribution Base}} * \frac{0.212000}{\text{FCC Contribution Factor}} = \frac{\$ 22,976.14}{\text{Unadjusted Contribution}}$$
$$\frac{\$ 22,976.14}{\text{Unadjusted Contribution}} - \left(\frac{\$ 22,976.14}{\text{Unadjusted Contribution}} * \frac{0.175696}{\text{FCC Circularity Factor}} \right) = \frac{\$ 18,939.32}{\text{Adjusted Contribution}}$$

De Minimis Eligibility

Carriers whose expected annual contribution is less than \$10,000 are considered de minimis and are exempted from paying into the Universal Service Fund. To be exempt, a carrier must meet the de minimis criteria on both the current 499A and 499Q forms.

You meet the de minimis criteria on neither the 499A or the current 499Q. Therefore, you are not eligible for the de minimis exemption during the current quarter.

Your eligibility was calculated using the contribution factors established by the FCC for determining de minimis status on each form:

499A:

$$\frac{\$ 466,977.82}{\text{499A Contribution Base}} * \frac{0.178000}{\text{FCC Estimated Annual Factor}} = \frac{\$ 83,122.05}{\text{Estimated 499A Contribution}}$$

499Q:

$$\frac{\$ 18,939.32}{\text{Adjusted Contribution}} * 4 = \frac{\$ 75,757.30}{\text{Estimated 499Q Contribution}}$$

For more information on the FCC estimated annual factor, please see the Form 499A Instructions. For more information on the current FCC contribution factor, visit the FCC website at www.fcc.gov.

Support Mechanism Charges

Your total monthly contribution is determined by multiplying one-third of your adjusted quarterly contribution base by the current quarter's FCC contribution factor.

$$\frac{1}{3} * \frac{\$ 18,939.32}{\text{Adjusted Quarterly Contribution}} = \frac{\$ 6,313.11}{\text{Total Monthly Contribution}}$$
