498 ID
• Takes its name from the registration form – FCC Form 498
• Identification used to receive Universal Service funding
ID Differences

**498 ID**

aka
SPIN (Service Provider Identification Number)
Nine digit number beginning with “143” (i.e. 143999999)

**Who** - Telecommunications Providers, Schools, Libraries

**Why** - to receive funding from any of the 4 programs USAC administers: *Rural Health Care*, *High Cost, Lifeline, Schools and Libraries*

**How** - Complete Form 498

**499 ID**

aka
Filer ID or 499 Filer ID

Companies that have a 498 ID don’t necessarily have to have a 499 ID, and vice versa!
499 ID Assignment

What Next?
Email Notification of Assignment

Next Steps

Two emails were sent to the Company Officer listed on the registration form.

1. Company Officer user name and log in instructions
2. Assignment of the 499 Filer ID and a list of forms you are required to file.

The Company Officer should now add any employees as users to USAC’s E-File system. Functions performed in E-File are form preparers, additional company officers and employees responsible for paying USAC invoices.

ALL FCC Forms must be submitted online through E-File. Paper copies are not accepted.
Adding E-File Users
Only Company Officers can add users to a 499 Filer ID. Select Add/Remove 499 Users under log in drop down.
Add Authorized Users in E-File

- The email address entered also acts as your E-File user ID.

- The email address entered is specific to the person and not an email address shared with another person(s) or a generic email address (e.g. Billing@gmail.com).

- The email address listed above is the address to which business communications, including confidential business communications, may be sent.
Add Authorized Users in E-File

- Enter in the contact information of the user you are adding.
- Place a check mark in the box confirming that the user id you are adding meets the USAC terms and conditions.
- Scroll down to assign a role to the new user.
Add Authorized Users in E-File

• Determine the level of access you will grant to the new user.
  • Company officers are the only persons who can certify an FCC Form.
  • Company officers can also add/remove users who have authority to access the account.

• Select which Filer IDs the new user will have access to by highlight the filer ID and clicking the right arrow button to move it to the ‘Selected Filer IDs’ column.

• Complete the set up by clicking the ‘Submit’ button

As a company reselling services like VoIP or “cloud PBX” offerings, you are responsible for filing your own FCC Form 499-A and if necessary, an FCC Form 499-Q. Your underlying provider does not file these forms on your behalf.

You are also responsible for completing a reseller certificate to your underlying provider. These forms are designed and maintained by your underlying provider. On this form, you usually certify if you contribute directly to USAC for the USF or if you fall below the de minimis threshold.
Questions
Quarterly Filers

Who is Required to File the 499-Q
1. Every non *de minimis* telecommunications company must file the FCC Form 499-Q.

2. *De minimis* filers are not required to file the FCC Form 499-Q, but they are requested to email USAC each quarter to notify of their continued *de minimis* status for the upcoming quarter.

   ◊ Send the email to ‘Form499@usac.org’
   ◊ Include your Filer ID, Company name and the reporting period (i.e February 499-Q) for which you expect to be *de minimis*.

So the key question is - what exactly is a *de minimis* company??
**Definition of de minimis**
A filer qualifies for *de minimis* status for a given calendar year when the revenue reported on its corresponding FCC Form 499-A is such that the calculated annual contribution to the federal Universal Service Fund is less than $10,000.

**Annual Revenue Threshold**
For calendar year 2021, filers that bill less than $44,248 of combined end user interstate and international telecommunication revenues will be considered *de minimis* for 2021.

Which leads to the question, “How do I know if I’m below the threshold for a quarter?”

**Quarterly Revenue Threshold**
For every quarter in 2021, if the revenue reported on Line 120(b) + (c) is $11,016.95 or less, then the service provider will be *de minimis*.
Form 499-Q

Understanding the Sections
The FCC Form 499-Q (quarterly) is used to determine the amount of money a company must contribute to the universal service fund for a quarter. It is similar in concept to the IRS quarterly estimated tax forms a business must file.

- The same form “template” is used for each quarter’s filing.
- While the filer reports both historical and projected revenues on the form, only the projected revenues are used to determine the contribution amount.

Filing Online
Accessing through E-File
Online Filing – Before You Start

- Make sure your internet browser’s ‘pop up blocker’ is OFF.
  - The system opens a new window to display the data entry screen for the FCC Form 499-Q.
  - If you have clicked ‘Start Form’ and you don’t see a new, smaller window – you most likely have the pop-ups blocked.

- Please ensure these email addresses from USAC don’t go to your SPAM folder!
  - Important USAC communication comes from the following emails:
    ✓ ‘form499@usac.org’
    ✓ ‘CustomerSupport@usac.org’
    ✓ ‘form499@universalservice.org’

- Not sure if you are *de minimis* or not? FILE the form anyway!
  - We would rather have you report your revenues than us having to estimate on your behalf.
All data entry and submission of 499 forms is done while logged in to USAC’s online system called E-File. You can log in from the main USAC webpage, www.usac.org, by clicking the blue ‘Sign In’ button at the top of the page.
Once logged in to E-File, the new service provider portal will appear. Only systems in which you have authorization to access will appear. In this example, the user can only access the 498 ID and the 499 Filer ID. Select ‘Manage FCC Forms 499’.

IF USAC notices any large differences, USAC will notify the preparer with another email outlining potential issues.

Don’t ignore this email!

It tells you that USAC noticed the filing you just submitted is significantly higher than the previous 499-Q.

This email also includes when you need to submit revisions by.
Revise the FCC Form 499-Q

The Form 499-Q has a very short revision window of 45 days!

This is because the data collected on the form is time sensitive. USAC uses the data for invoicing as well as determining the USF contribution factor.

Click the ‘Revise’ button to open up the 499Q form again and submit changes.

Revisions submitted after the revision date will not be used.
Monthly Invoice

How USAC uses the revenue on the 499-Q
On or around the 15th of the month, an online invoice summary is available to authorized users.

To access this summary page, from the ‘Payments’ section, scroll down to the ‘Select Payment View’, click in the box, and select ‘Invoices’.
USAC outlines the calculations for the monthly contribution amount on page 2 of the invoice.

USAC takes the revenue input on Line 120b + 120c. This is displayed on your invoice, page 1, lower left corner.
Questions
Purpose of the FCC Form 499-A
Required Annual Filing
A company reports their actual historical revenues on the FCC Form 499-A. The 2021 FCC Form 499-A reports actual revenues from calendar year 2020. USAC takes the numbers on the 2021 FCC Form 499-A and compares them to the projected revenue from the quarterly FCC Forms 499-Q.

### Actual Revenues
- 2021 FCC Form 499-A
  January – December 2020

### Estimated Revenues
- November 2019 Filing (1st Qtr 2020)
- February 2020 Filing (2nd Qtr 2020)
- May 2020 Filing (3rd Qtr 2020)
- August 2020 Filing (4th Qtr 2020)
Annual True-Up

Compare 499-Q revenue to the 499-A revenue

If the company’s projected revenues for calendar year 2020, reported on the FCC Form 499-Qs, are too high, USAC will calculate your credit.

The company ‘contributed’ too much over the year.

If the company’s projected revenues are too low, USAC will calculate a “true-up charge” to make up for the contribution deficit.

The company didn’t contribute enough over the year.

These charges/credits will appear on the company’s July invoice from USAC.
