What is E-File?

E-File is USAC's online forms submission tool. E-File is the platform in which contributors and service providers can register with USAC and manage their forms, including the FCC Forms 499. This user guide will walk through how to access and navigate through the E-File system, and how to manage the FCC Form(s) 499 as Preparers or Company Officers for one or multiple companies.

Before getting started, it is important to know your role within E-File.

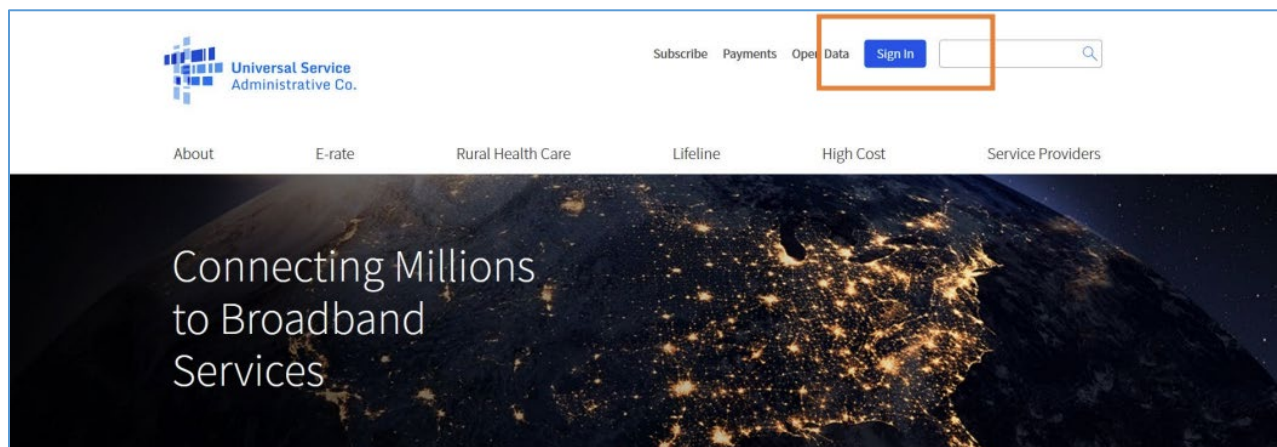

The **Preparer** has authorization to prepare the FCC Form 499-A/Q, access invoice copies, account histories, and other information related to the 499 Filer ID. The Preparer is not authorized to certify or submit an FCC Form 499-A/Q.

The **Company Officer** can perform all the same activities as a Preparer. In addition, the Company Officer can add or remove authorized users for the 499 Filer ID. Only the Company Officer can certify and submit an FCC Form 499-A/Q.

Use the Table of Contents functionality to jump to each section.

Sign In

1. Visit USAC's website at usac.org.
2. Click the blue **Sign In** button in the upper right-hand corner of the homepage.

3. Review the information and click **Continue**.

ACP Program providers, ACP Pilot Program Applicants, EPC users and BEAR Form filers: If this is your first time logging in to One Portal, please read this information carefully. Also, for returning ACP Pilot Program Applicants, due to a recent system issue, you may need to reset your password in order to log in. If your existing password doesn't work, click "Forgot Password" to reset.

USAC has added multifactor authentication (MFA) to increase the security of our Universal Service Fund (USF) IT applications. The first time you sign into an application, the system will prompt you to set up MFA for your account. To do this:

1. Click the blue **Continue** button below.
2. Click the **Forgot Password** link.
3. Enter your Username (your email address) and click **Reset via Email**.
4. When you receive the email, click the link to create a password. Your password must be at least eight characters long and include one lowercase letter, one uppercase letter, one number, and one special character.
5. Accept the system's terms of use and click **Sign In**.
6. On the next page, confirm the email associated with your account and click **Send Email**.
7. Check your email for a verification code.
8. Enter the code and click **Verify**.

After logging in, you will see USAC's new single portal application dashboard if you have access to more than one application. On this page you can access all of the USF applications associated with your log in. This means users no longer have to sign into multiple applications to interact with different USF programs.

From the dashboard, you can visit the "Settings" page to add a cell phone number to your account. This will allow you to receive verification codes via either email or text message when you log in in the future.

To learn more about USAC's MFA and to find a list of all USF IT applications included in the single portal, visit [USAC's website](#). If you cannot access the email associated with your account and need to set up a new log in, please contact your organization's USF administrator. If you need to reset your password, click the "forgot password" link. More detailed instructions are available in [this video](#).

Continue

4. Enter your username and password.
5. Read the disclaimer. If you accept the terms and conditions, click the checkbox to accept the disclaimer.

Note: The sign in button will become clickable once these steps are completed. Click the blue sign in button at the bottom.

You are accessing a portal to Universal Service Administrative Company (USAC) systems used to administer participation in the federal Universal Service programs in compliance with 47 C.F.R. Part 54. Access to the systems is provided solely to USAC-authorized users for USAC-authorized business purposes. By logging in, you represent that you are an authorized user. Use of this system indicates acceptance of the terms and conditions governing the USAC systems. USAC monitors user access and content for compliance with applicable laws and policies. Use of the system may be recorded, read, searched, copied and/or captured and is also subject to audit. Unauthorized use or misuse of this system is strictly prohibited and subject to disciplinary and/or legal action.

☐ Click the box to accept

By signing in, I accept the [terms and conditions](#) of the USAC system.

Sign In

Don't have an account? [Create an account](#)

Multifactor Authentication

After signing in with your username and password, the system will prompt you to initiate the multifactor authentication process. Follow the steps below to complete this process.

1. Click **Send Email** to have a verification code sent to the email address listed. Open the email to retrieve the verification code.
2. Enter the code from the email into the box and click **Verify**.

Note: This code is only valid for 10 minutes from the time it was sent.

Universal Service
Administrative Co.

Email Authentication

USAC requires multifactor authentication to add an additional layer of security when signing in to your account.

Email Address

Enter Code

[Send Email](#)

[Sign out](#)

- Click the down arrow next to each selection to see and access the USAC systems. If you have access to only one USAC system, a page will appear giving you the option of either going directly to that USAC system or managing your multifactor authentication settings. If you have access to multiple USAC systems, you can manage your multifactor authentication settings from this dashboard page.

4. Select **Settings** under the arrow by your username in the upper righthand corner. USAC recommends that you visit this settings page to add a mobile phone number to your account. This will allow you to choose to receive login verification codes by email or text message. This is also the place where you may change the primary email address that would receive authentication codes in the future.

Note: Updating the primary email address does not update the username address you use when you log in.

5. To enter a mobile number that will be used to text you a verification code, find the extra verification box and click **Setup**.

Note: Make sure that the popup blocker is turned off on your internet browser as the next few screens are mini windows that popup over the main screen.

✓ Extra Verification

Extra verification increases your account security when signing in to Okta and other applications you use.

Required

Optional

Text Message Code

Setup

6. Enter the mobile phone that you wish to receive texts with the verification code. Then, select **Send Code** to authenticate your phone number.

Set Up Text Message Verification

Enter the phone number you'll use to receive codes via text message, then click Send Code to verify that it works.

Country: United States
Select the country where your phone is registered.

Phone number:
Enter your number the way you normally dial it. Do not add your country code prefix.

Send Code

7. A code will be immediately texted to the number that you entered. Enter that code in the code verification box and click **Verify**. If you have entered the code accurately, the system will give you a message that you verified successfully.

8. Select **Done** to take you back to the main settings page. The next time you log in, you will see a screen that prompts you to decide which method to deliver the code through email or text message.
9. Once you finish customizing your settings, click on the USAC banner on the top left to return to the dashboard.

Reset Password

Follow the steps below to change or reset your password.

1. Click the **Forgot Password** link on the main login screen.

Universal Service

2. Enter your username in the box provided and click the **Reset Via Email** button.

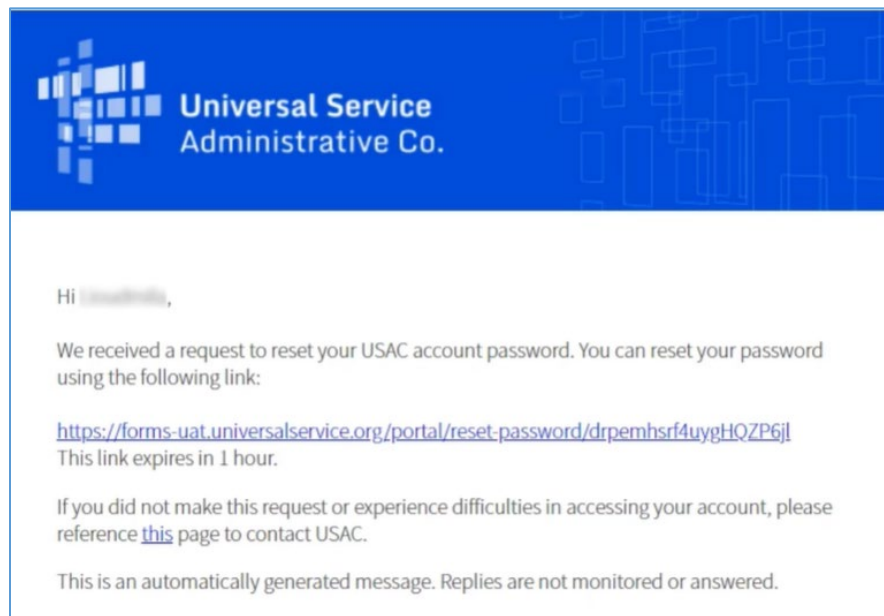

Universal Service
Administrative Co.

Reset Password

Username

Reset via Email

- USAC will send you an email that includes a link that will take you to a screen prompting you to change your password. Click the link to reset your password. This link is valid for only one hour.

- Enter your new password and click the **Reset Password** button. The password must be eight characters, one uppercase, one lowercase, one number, contain one special character, and cannot be any of your last eight passwords.

The image shows a web form for resetting a password. The header is white with the Universal Service Administrative Co. logo. The main content area is light gray and contains the following elements:

- Reset your password** (Section Header)
- Password requirements:** at least 8 characters, one uppercase, one lowercase, one number, one special character and cannot be any of your last 8 passwords.
- New password** (Label) followed by a text input field with a masked password (eight dots).
- Repeat password** (Label) followed by a text input field with a masked password (eight dots).
- Reset Password** (Button) with a mouse cursor icon pointing to it.

- Once the password reset is accepted, continue the login process with multifactor authentication. Initiate the authentication by clicking the **Send Email** link.

The screenshot shows the 'Email Authentication' page for Universal Service Administrative Co. The page title is 'Email Authentication' with a subtitle: 'USAC requires multifactor authentication to add an additional layer of security when signing in to your account.' Below this, there is a section for 'Email Address' with a text input field containing 'f...9@usac.org'. Underneath is the 'Enter Code' section with an empty text input field and a green 'Send Email' button.

- You will then receive an email with a six-digit code. Enter the code into the box marked **Enter Code**. The code is only valid for 10 minutes.

The screenshot shows the 'Email Authentication' page after a successful email send. A green confirmation message with a checkmark icon states: 'Passcode has been sent to the following email address!'. Below this, the 'Email Address' field still contains 'f...9@usac.org'. The 'Enter Code' section now features an empty text input field and a blue 'Re-send Email' button.

Dashboard

On the left-hand side of your screen are important upcoming dates. On the right-hand side of your screen are options to get in contact with the USAC Customer Service Center (CSC). Under the **Service Providers** dropdown are options to enter the FCC Forms 499 and/or FCC Forms 498.

The screenshot shows the dashboard interface of the Universal Service Administrative Co. (USAC). The header is blue with the USAC logo and name on the left, and a "Sign Out" button on the right. Below the header, the user's email "bcddca@usac.com" is displayed. The main content area is titled "Dashboard" and is divided into three columns:

- Upcoming Dates:** A calendar view showing three dates:
 - 03/19 2020: February FCC Form 499-Q Revision Deadline
 - 04/01 2020: FCC Form 499-A Due
 - 05/01 2020: FCC Form 499-Q Due
 A link "see full calendar" is at the bottom.
- Service Providers:** A section with two expandable cards:
 - Manage FCC Forms 498:** Provide contact and banking information for entities that receive support from universal service programs, manage authorized users.
 - Manage FCC Forms 499:** Report revenue on FCC Forms 499, make USF payments, view payment history, download invoice summary and manage users.
- Help?:** A section with two options:
 - Send us a message:** Click here
 - Call us:** (888) 641-8722

Click on **Manage FCC Forms 499** to view your filer status, company contacts, and associated 498 IDs. If you are a Preparer or Company Officer for multiple companies, you will be able to select a company from the dropdown menu. To manage your FCC Forms 499, toggle between **499 Forms**, **Payments**, and **Messages**.

The screenshot shows a user dashboard for "USAC Test Amy 889993". The user's status is "Active". There are links for "Company Contacts" and "Associated 498 IDs". A toggle switch for "Notify USAC of De Minimis Status" is present, with a note: "Notify USAC if your company will be *de minimis* in the upcoming quarters." Below this are tabs for "499 Forms", "Payments", and "Messages". The "499 Forms" tab is selected, showing a heading "499 Forms" and a yellow notification bar stating: "You have 6 filing(s) that require attention. Those filings are identified below marked in yellow in the Status column." At the bottom, there is a "Sort By" section with a "Summary View" dropdown menu.

Forms

This section will walk through how to access, check status, and revise FCC Forms 499 A/Q in E-File.

Access Forms

Once you are logged into E-File, you will only be able to see the systems in which you have access.

Follow the steps below to access forms in E-File.

1. On your dashboard, click on the paragraph **Manage FCC Forms 499**.

Universal Service Administrative Co. Sign Out

Displaying 1 to 10 of 13 records

499 Forms	Receipt Date	Status	View	Action	DCA Approval Date
499-Q - February 2023 Filing		Not Started		Start Form	
499-Q - November 2022 Filing		USAC Estimate		Revise Certify	
499-Q - August 2022 Filing	08/25/2022	Approved		Revise Certify	08/26/2022

Note: Forms can be previewed, saved, certified, and submitted once you enter the form. The form can only be submitted by the Company Officer designated in E-File.

Certify and Submit Forms

Forms must be certified before they are submitted to USAC. The form can only be submitted by the Company Officer designated in E-File. Review the form, and if you are ready to submit it, click the **Preview and Certify the Form** button. When certifying the form, enter the date on which you are completing the form. If needed, you can also save the form and come back to it later.

Account #	Company Name	Form	Status	View	Action
889993	USAC Test Amy	499-Q - November 2020 Filing - Rev 3	Pending Officer Approval		Revise Certify
80	Communications, LLC	499-A - 2022 Filing - Rev 1	Pending Officer Approval		Revise Certify

889993	USAC Test Amy	499-A - 2020 Filing - Rev 2	Pending Officer Approval		Revise Certify

Check Form Status

You can find your form status under the **Status** column. Visit our [What to Expect After Filing](#) webpage to view a list of the possible terms for each Filer ID's individual forms.

Revise Forms

Follow the steps below to revise a form.

1. Under the **Action** column, click on the word **Revise** in blue text. Please note that if **Revise** is not blue and clickable, you cannot revise the form.

Displaying 1 to 8 of 8 records				Bulk Certify	<input type="text"/>
Account #	Company Name	Form	Status	View	Action
889997	USAC Test 3R	499-A - 2020 Filing	Approved		Revise Certify

2. Once you click **Revise**, you will be taken into the data entry screen. Revenues are carried forward to the revision you are working on. Find the line number you need to revise and enter the new revenue number.

Note: Only Company Officers can certify to submit the revision to USAC. Revisions are processed in the next month with invoice processing. Your revision data is sent to third party administrators on or around the 20th of each month.

Payments

Payment History

Follow the steps below to view your payment history.

1. Click the **Payments** tab.

The screenshot displays the ABC Telecom user interface. At the top, the company name "ABC Telecom" is shown. Below it, the "Filer Status: Active" is indicated. There are two expandable sections: "Company Contacts +" and "Associated 498 IDs +". A horizontal navigation bar contains three tabs: "499 Forms", "Payments", and "Messages". The "Payments" tab is highlighted with a yellow border and a mouse cursor is pointing at it. Below the navigation bar, the text "499 Forms" is displayed. At the bottom, there is a "Sort By" section with a dropdown menu currently set to "Summary View".

- Click the blue hyperlink under the company name column for the account you would like to view and click **Payment History**.

Note: If you click on **Make a Payment**, you will be routed to the Department of Treasury's website.

Contributor Messages

Contributor Messages: Responding to 499-A Issues

USAC analysts review submitted FCC Forms 499-A to ensure that revenues are reported accurately. On occasion, they have questions regarding revenues reported on these forms and will send a message to request a response. If USAC sends a message requesting a response, the FCC Form 499-A status will be changed to **Issue-Carrier Response Required**.

When USAC sends a message, the Preparer receives an automated email notification alerting them to the new message. In some cases, USAC may send an email notification to the Company Officers as well.

Regardless of whether they received the automated notice, all company users with access to E-File can view and reply to the message. You can respond with any questions or answers you may have, though please note that your responses will be visible to all company users as well.

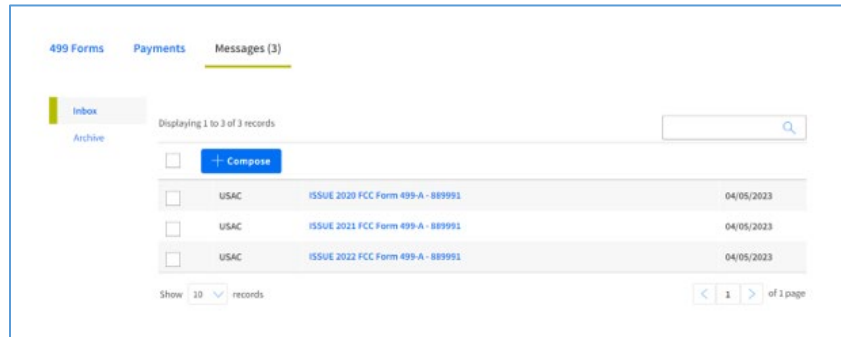

If the information you provide satisfies the analyst's question, the analyst will respond to let you know that the FCC Form 499-A was approved. If the information you provide needs further clarification, they will continue to communicate through messages until it is determined that a revision of the FCC Form 499-A is required, or the FCC Form 499-A is approved.

Follow the steps below to view messages with 499-A issues:

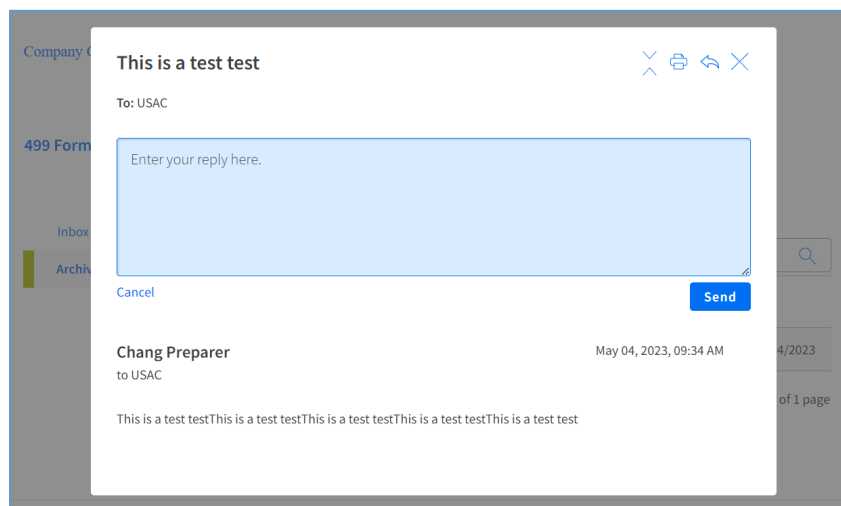

1. On the Filer ID main page, from the options tabs, select **Messages**.

2. In the Inbox, look for messages with "ISSUE" in the message name as well as the correct year of the FCC Form 499-A.
 - a. If you don't see the message, check the message archive by selecting Archive in the left-side menu.

3. Click on the message name to open the message.
4. Click the reply arrow in the top-right corner to add your reply, then click the blue “Send” button to submit the reply.

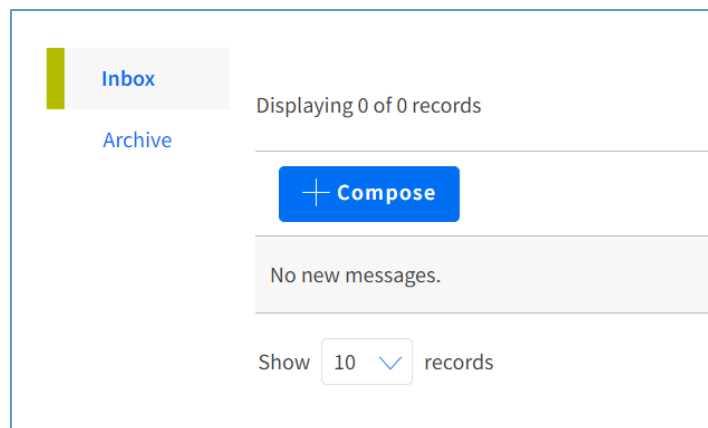

Contributor Messages: Sending General Questions

Contributor Messages allows you to send a message about topics related to the FCC Form 499-A, e.g., billing, payments, or information on your company's submitted form. USAC analysts will review the message and respond within 24-48 hours (not including weekends or federal holidays).

Please follow the steps below to send a message:

1. In the "Inbox" view, click the blue "Compose" button.

2. Select the appropriate company and message category.
3. Write the subject line and message content.
4. Click the "Send" button.

Note: For general USAC questions or requests for technical assistance, please continue to contact the USAC Customer Service Center (CSC) using our [Contact Form](#) or calling (888) 641-8722. The CSC is operational Monday through Friday from 9 a.m. to 5 p.m. ET.

For example, direct these common questions to the CSC:

- Where is the login page/guide/Form 499-A?
- How do I certify a form?
- I need help adding a new user.
- How do I reset to an incomplete 499-A?

Issue Emails

The E-File Contributor Messages feature (p. 28-30) replaced the Issue Emails tab in E-File on May 15, 2023.

Previously, USAC sent Issue Emails when the USAC analysts who review FCC Forms 499-A needed to ask follow-up questions. As of May 15, 2023, USAC now uses Contributor Messages for these communications instead of sending an Issue Email.

Note: You can still respond to any issue emails received before this transition date. USAC will continue to communicate on either communication channel until announced otherwise.

As described in the Contributor Messages section, if information you provide satisfies the analyst's question, the analyst will send you an email to let you know that the FCC Form 499-A was approved. If the information you provide needs further clarification, they will continue to communicate through email until it is determined that a revision of the FCC Form 499-A is required, or the FCC Form 499-A is approved.

FCC Form 499-Q *De Minimis* Notification

All company users with access to E-File will see a toggleable “De Minimis” button on their FCC Form 499 home page in E-File.

Who Uses the *De Minimis* Notification?

USAC does not require service providers with [de minimis status](#) to file quarterly FCC Forms 499-Q. However, USAC recommends that *de minimis* service providers use this E-File notification button to inform USAC of their status. Service providers who are not *de minimis* should leave this button unselected.

Note: If you use the notification button, you do **not** need to [email](#) USAC each quarter to notify us of your status.

Selecting and Confirming the Notification

To notify USAC of your company’s *de minimis* status, click the notification button. In most cases, you will immediately see the standard confirmation screen:

The image shows a 'Notify USAC' dialog box with a close button (X) in the top right corner. The text inside the dialog box reads: 'You may notify USAC that your company expects to qualify for *de minimis* status for calendar year **2024** and that the company will not be filing the following FCC Form(s) 499-Q:'. Below this, there is a list of quarters: '- February 2024 FCC Form 499-Q', '- May 2024 FCC Form 499-Q', and '- August 2024 FCC Form 499-Q'. The next paragraph states: 'Once you notify USAC of your company's expected *de minimis* status, USAC will generate *de minimis* estimates for the FCC Form(s) 499-Q listed above. Notifying USAC of your company's FCC Form(s) 499-Q *de minimis* status does not exclude you from filing the FCC Form(s) 499-Q within the 45-day filing window.' The following paragraph says: 'You may turn off the *de minimis* notifications at any time and file your future FCC Form(s) 499-Q.' The final paragraph explains: 'To determine if your company qualifies for *de minimis* status or if you were billed for a prior FCC Form(s) 499-Q projecting revenues for calendar year year **2024**, please visit USAC's [De Minimis](#) webpage and [Appendix A](#) of the FCC Form 499-A Instructions.' At the bottom right, there are two buttons: 'Cancel' and 'Notify USAC'.

Notify USAC

You may notify USAC that your company expects to qualify for *de minimis* status for calendar year **2024** and that the company will not be filing the following FCC Form(s) 499-Q:

- February 2024 FCC Form 499-Q
- May 2024 FCC Form 499-Q
- August 2024 FCC Form 499-Q

Once you notify USAC of your company's expected *de minimis* status, USAC will generate *de minimis* estimates for the FCC Form(s) 499-Q listed above. Notifying USAC of your company's FCC Form(s) 499-Q *de minimis* status does not exclude you from filing the FCC Form(s) 499-Q within the 45-day filing window.

You may turn off the *de minimis* notifications at any time and file your future FCC Form(s) 499-Q.

To determine if your company qualifies for *de minimis* status or if you were billed for a prior FCC Form(s) 499-Q projecting revenues for calendar year year **2024**, please visit USAC's [De Minimis](#) webpage and [Appendix A](#) of the FCC Form 499-A Instructions.

Cancel Notify USAC

Select the blue “Notify USAC” button to confirm your notification. USAC won’t receive your notification until you click this button.

Note: You will need to notify USAC at least once per year, as your status will reset on October 1. The confirmation popup will list the upcoming quarters that are covered by your notification. The deadlines to notify USAC that you will not be filing each quarter’s FCC Form 499-Q are:

- November - Notify USAC on or before **November 1**
- February - Notify USAC on or before **February 1**
- May - Notify USAC on or before **May 1**
- August - Notify USAC before **on or before August 1**

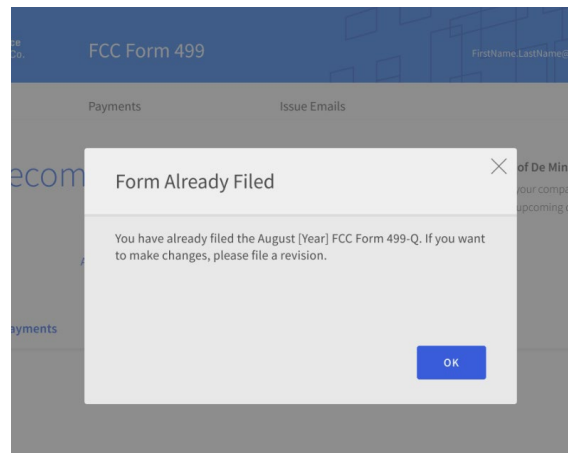

Special Scenarios

Changing Your Status

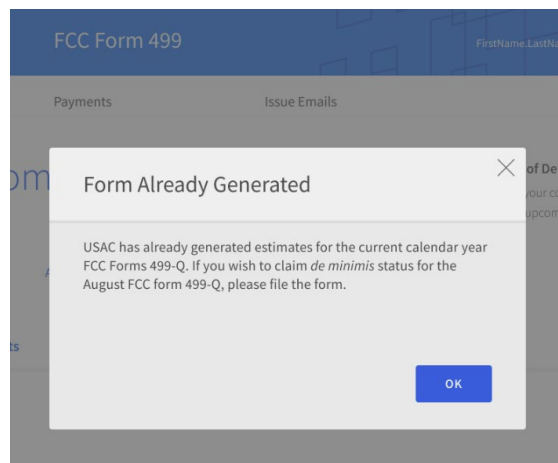

While most companies will not need to change their *de minimis* status throughout the year, you can select and deselect the notification button throughout the year. Please note the above deadlines for using the notification button.

Using the Button After Filing an FCC Form 499-Q or Missing a Deadline

If your company already filed an FCC Form 499-Q, you will receive a different confirmation popup when you try to select the notification button:

Similarly, if USAC has already generated estimates for the FCC Form 499-Q due to a missed deadline, you'll receive a different confirmation popup:

In both cases, follow the instructions in the popup for your next steps.

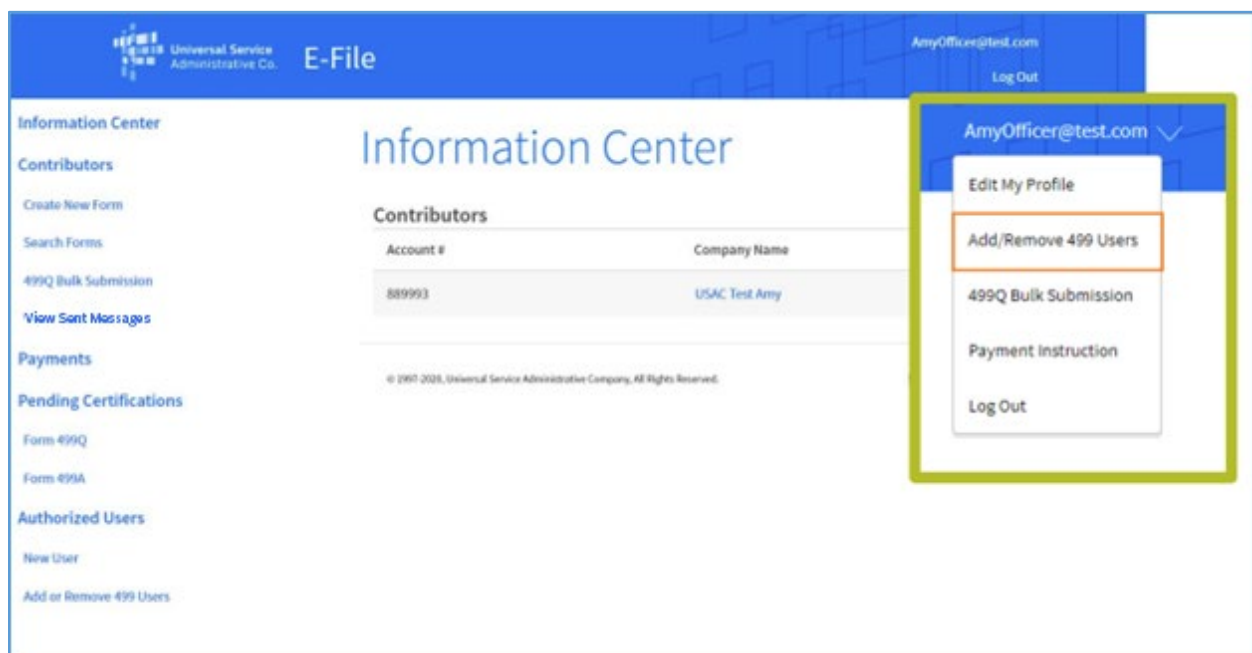

Administrative Overview

Add or Remove Users

In E-File, Company Officers can fill out FCC Forms 499, pay USAC invoices, add or remove users, and certify FCC Forms 499. A maximum of five Company Officers can be assigned to an account. Only Company Officers can grant access to additional users or remove existing users in E-File.

Follow the steps below to learn how to add additional users.

1. Click the down arrow next to your user ID in the top right-hand corner of the screen, then select the option **Add/Remove 499 Users**.

2. To create or add a user to an account, click **Add User Accounts** at the top of your screen.

E-FILE

Temporary Access

Occasionally, USAC will require a company to submit a missing form on an inactive 499 Filer ID. You must reactivate the Filer ID to complete any missing forms.

Follow the steps below to temporarily reactivate a 499 Filer ID.

1. Go to usac.org and click on the blue **Sign In** button in the upper right-hand corner of the page.

2. Review the information and click **Continue** to proceed.

ACP Program providers, ACP Pilot Program Applicants, EPC users and BEAR Form filers: If this is your first time logging in to One Portal, please read this information carefully. Also, for returning ACP Pilot Program Applicants, due to a recent system issue, you may need to reset your password in order to log in. If your existing password doesn't work, click "Forgot Password" to reset.

USAC has added multifactor authentication (MFA) to increase the security of our Universal Service Fund (USF) IT applications. The first time you sign into an application, the system will prompt you to set up MFA for your account. To do this:

1. Click the blue **Continue** button below.
2. Click the **Forgot Password** link.
3. Enter your Username (your email address) and click **Reset via Email**.
4. When you receive the email, click the link to create a password. Your password must be at least eight characters long and include one lowercase letter, one uppercase letter, one number, and one special character.
5. Accept the system's terms of use and click **Sign In**.
6. On the next page, confirm the email associated with your account and click **Send Email**.
7. Check your email for a verification code.
8. Enter the code and click **Verify**.

After logging in, you will see USAC's new single portal application dashboard if you have access to more than one application. On this page you can access all of the USF applications associated with your log in. This means users no longer have to sign into multiple applications to interact with different USF programs.

From the dashboard, you can visit the "Settings" page to add a cell phone number to your account. This will allow you to receive verification codes via either email or text message when you log in in the future.

To learn more about USAC's MFA and to find a list of all USF IT applications included in the single portal, visit [USAC's website](#). If you cannot access the email associated with your account and need to set up a new log in, please contact your organization's USF administrator. If you need to reset your password, click the "forgot password" link. More detailed instructions are available in [this video](#).

[Continue](#)

3. On the main login screen, scroll down and select **Create an account**. Do not log in if you are requesting temporary access.

Reason for Temporary Access

☒ Click here if you are an officer listed on the FCC Form 499-A.

☒ Click this box to confirm that

- You are a Company Officer for USAC Test Amy, Filer ID 889993
- Your email address listed above is specific to you and not an email address shared with any other person(s)
- Your email address listed above is the address to which business communications, including confidential business communications, may be sent regarding USAC Test Amy, Filer ID 889993. Your email address will be used to create your E-File account and/or to give your existing E-File user account Company Officer entitlements for USAC Test Amy, Filer ID 889993. Click [here](#) for more information.

Note: Once approved, the access will be at the Company Officer level, meaning the user can both enter and certify the form.

10. Once successfully submitted, you will see a screen with a green checkmark. The Company Officer will receive further instructions from USAC via email to validate the request. This may take up to two business days.

E-FILE

ADD 499 OFFICER – TEMPORARY ENTITLEMENTS

Email: AmyKCEO@test.com
Filer ID: 889993
Company Name: USAC Test Amy

Your request has been sent to USAC Customer Support. You will receive an email message from USAC when your temporary access has been approved. This normally takes 2 days. For Company Officers who currently do not have E-File access (through another account), the email will include your user name and password, at which point you will be able to log in to E-File.
