- Identification used to receive Universal Service funding

Universal Service Fund

ID Differences

Questions?

Quarterly Filing

Who is Required to File the 499-Q

FCC Form 499-Q Purpose

What is it?

- The FCC Form 499-Q (quarterly) is used to determine the amount of money a company must contribute to the universal service fund for a quarter.
- *It is similar in concept to the IRS quarterly estimated tax forms a business must file.*
- While the filer reports both historical and projected revenues on the form, **only the projected revenues are used to determine the contribution amount** billed in the upcoming quarter.

Define “*de minimis*”

Definition of *de minimis*

A filer qualifies for *de minimis* status for a given calendar year when the revenue reported on its corresponding FCC Form 499-A is such that the calculated annual contribution to the federal Universal Service Fund is less than \$10,000.

Annual Revenue Threshold

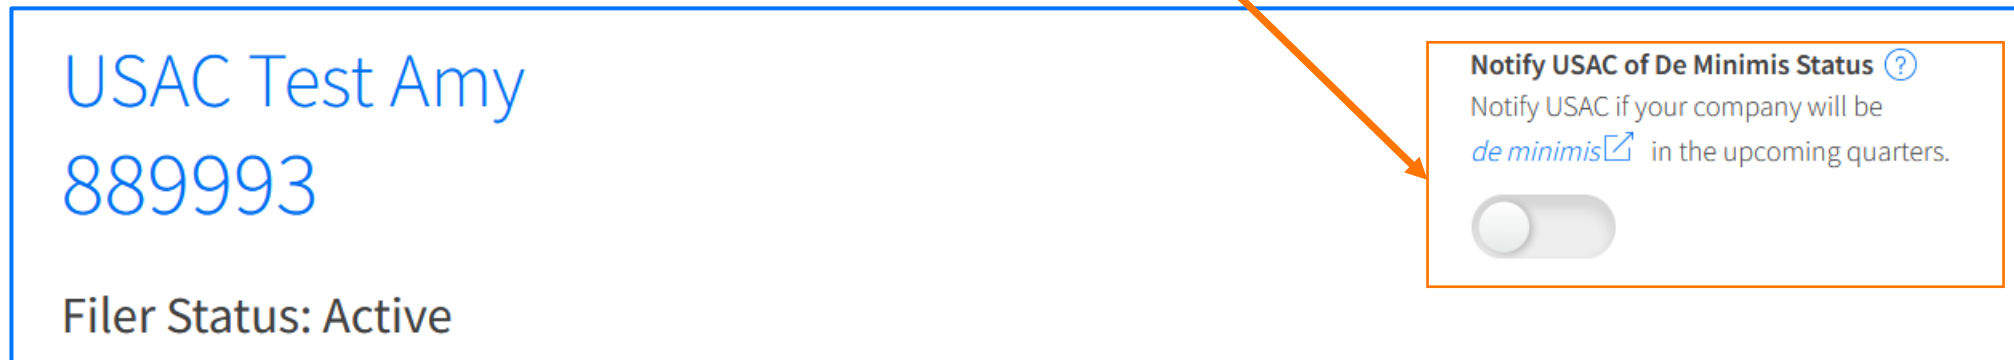

For calendar year 2025, filers that bill less than **\$39,062** of combined **end user** interstate and international telecommunication revenues will be considered *de minimis* for 2025.

For calendar year 2024, filers that billed less than **\$41,841** of combined **end user** interstate and international telecommunication revenues will be considered *de minimis* for 2024.

If the company has determined that it will be required to be a direct contributor to the Federal Universal Service Fund, that company must file an FCC Form 499-Q, the quarterly filing.

Who Must File

1. Every non *de minimis* telecommunications company must file the FCC Form 499-Q. This means your company is a direct contributor to the FUSF and is billed monthly by USAC. **If the company does not file, a late filing fee will be applied.**
2. *De minimis* filers are not required to file the FCC Form 499-Q, but must notify USAC of their status by selecting the *de minimis* button on their main screen.

Notify USAC of De Minimis Status ⓘ
Notify USAC if your company will be [de minimis](#) in the upcoming quarters.

☐

An orange arrow points from the text 'by selecting the de minimis button on their main screen' to the 'Notify USAC of De Minimis Status' toggle switch.

de minimis Notification

- If you notified USAC previously of your *de minimis* status for 2025 by clicking the button, you will be sent an email instructing your company that it is not required to file quarterly forms covering the calendar year 2025.
- If the company has determined that your *de minimis* status has changed, you should ‘unclick’ the *de minimis* button and file the May FCC Form 499-Q.
- Regardless of a company’s *de minimis* status, there will always be an entry in E-File listing the FCC Form 499-Q.

Filing Online

Accessing the Forms Through E-File

Online Filing – Before You Start

- Google Chrome, Mozilla Firefox, and Microsoft Edge internet browsers are recommended.
 - Apple Safari and mobile access are not recommended.
- Make sure your internet browser's 'pop up blocker' is **OFF**.
 - The system opens a new window to display the data entry screen for the FCC Form 499-Q.
 - If you have clicked '**Start Form**' and you don't see a new, smaller window – you most likely have the pop-ups blocked.
- Please ensure these email addresses from USAC don't go to your SPAM folder!
 - Important USAC communication comes from the following emails:
 - ✓ 'form499@usac.org'
 - ✓ 'CustomerSupport@usac.org'
 - ✓ 'form499@universalservice.org'
- Not sure if you are *de minimis* or not? FILE the form anyway!
 - We would rather have you report your revenues than us having to estimate on your behalf.

Online Filing the FCC Forms 499

Dashboard

 In accordance with the Supply Chain orders, new certifications have been added to the following forms: RHC - FCC Form 463 and the Telecom invoice, E-rate - FCC Form 473, and High Cost & Lifeline - FCC Form 481. Service providers are required to submit these annual certifications. For additional information, visit the [USAC Supply Chain](#) page.

Questions?

Annual Filing FCC Form 499-A

FCC Form 499-A Purpose

What is it?

A company reports their actual historical revenues on the FCC Form 499-A.

The 2025 FCC Form 499-A reports actual revenues from calendar year 2024.

USAC takes the revenue on the 2025 FCC Form 499-A and compares to the projected revenue from the quarterly FCC Forms 499-Q that were filed in 2024.

Estimated Revenues – Total for Year

499-Q November 2023 Filing (1Q 2024)
499-Q February 2024 Filing (2Q 2024)
499-Q May 2024 Filing (3Q 2024)
499-Q August 2024 Filing (4Q 2024)

Compare to

Actual Revenues

- 2025 FCC Form 499-A
January – December 2024

Annual True-Up

Compare 499-Q revenue to the 499-A revenue

If the company's projected revenues for calendar year 2024, reported on the FCC Form 499-Qs, are **too high**, USAC will calculate your credit.

The company 'contributed' too much over the year.

If the company's projected revenues are **too low**, USAC will calculate a "true-up charge" to make up for the contribution deficit.

The company didn't contribute enough over the year.

These charges/credits will appear on the company's July billing statement.

Annual Form – Main Page

After starting the 499-A, the main page for completing of the FCC Form 499-A in E-File will appear.

There are two areas of the annual form that require attention.
