Form 499-Q Facts

August FCC Form 499-Q

Quarterly Filing

- Due Friday, August 1, 2025.
- Required for all non-*de minimis* filers.
- This [FCC Form 499-Q](#) is used to *forecast* the company's revenue for 4Q25.
- The numbers reported on this form will be used to bill direct contributors in October, November, and December 2025.
- All FCC Forms must be submitted online through E-File. Paper copies are not accepted.
- The revision deadline is September 15, 2025.

Calculating USF Contributions

Quarterly Filing is Used for This Purpose

- USAC first determines a service provider's contribution base.
- The contribution base is the end-user telecommunications revenue, and only the interstate and international allocations of that revenue.
- On the FCC Form 499-Q, this is reported on line 120 and represents one quarter's worth of revenue.
- At a high level, the contribution base revenue is multiplied by the corresponding quarter's FCC contribution factor to determine a company's contribution amount.

Definition of *de minimis*

Definition of *de minimis*

A filer qualifies for *de minimis* status for a given calendar year when the revenue reported on its corresponding FCC Form 499-A is such that the calculated annual contribution to the federal Universal Service Fund is less than \$10,000.

Annual Revenue Threshold

For calendar year 2025, filers that bill less than **\$39,062** of combined **end user** interstate and international telecommunication revenues will be considered *de minimis* for 2025.

For calendar year 2024, filers that billed less than **\$41,841** of combined **end user** interstate and international telecommunication revenues will be considered *de minimis* for 2024.

de minimis Company Requirement

1. Every non *de minimis* telecommunications company must file the FCC Form 499-Q. This means your company is a direct contributor to the FUSF and is billed monthly by USAC. **If the company does not file, a late filing fee will be applied.**
2. *De minimis* filers are not required to file the FCC Form 499-Q, but must notify USAC of their status by selecting the *de minimis* button on their main screen.

Notify USAC of De Minimis Status 

Notify USAC if your company will be [de minimis](#) in the upcoming quarters.

☐

An orange arrow points from the text 'by selecting the de minimis button on their main screen.' to the 'de minimis' link in the toggle switch area.

***de minimis* Notification**

- If you notified USAC previously of your de minimis status for 2025 by clicking the button, you will be sent an email instructing your company that it is not required to file quarterly forms covering the calendar year 2025.
- If the company has determined that your de minimis status has changed, you should ‘unclick’ the de minimis button and file the May FCC Form 499-Q.
- Regardless of a company’s de minimis status, there will always be an entry in E-File listing the FCC Form 499-Q.

Online Filing – Before You Start

- Google Chrome, Mozilla Firefox, and Microsoft Edge internet browsers are recommended.
 - Apple Safari and mobile access are not recommended.
- Make sure your internet browser's 'pop up blocker' is **OFF**.
 - The system opens a new window to display the data entry screen for the FCC Form 499-Q.
 - If you have clicked '**Start Form**' and you don't see a new, smaller window – you most likely have the pop-ups blocked.
- Please ensure these email addresses from USAC don't go to your SPAM folder!
 - Important USAC communication comes from the following emails:
 - ✓ 'form499@usac.org'
 - ✓ 'CustomerSupport@usac.org'
 - ✓ 'form499@universalservice.org'
- Not sure if you are *de minimis* or not? FILE the form anyway!
 - We would rather have you report your revenues than us having to estimate on your behalf.
