Questions?

Quarterly Filing

Who is Required to File the 499-Q

FCC Form 499-Q Purpose

What is it?

- The FCC Form 499-Q (quarterly) is used to determine the amount of money a company must contribute to the universal service fund for a quarter.
- While the filer reports both historical and projected revenues on the form, **only the projected revenues are used to determine the contribution amount** billed in the upcoming quarter.

Define “*de minimis*”

Definition of *de minimis*

A filer qualifies for *de minimis* status for a given calendar year when the revenue reported on its corresponding FCC Form 499-A is such that the calculated annual contribution to the federal Universal Service Fund is less than \$10,000.

Annual Revenue Threshold

For calendar year 2026, filers that bill less than **\$37,175** of combined **end user** interstate and international telecommunication revenues will be considered *de minimis* for 2026.

For calendar year 2025, filers that billed less than **\$39,062** of combined **end user** interstate and international telecommunication revenues will be considered *de minimis* for 2025.

If the company has determined that it will be required to be a direct contributor to the Federal Universal Service Fund, that company must file an FCC Form 499-Q, the quarterly filing.

Who Must File

1. Every non de minimis telecommunications company must file the FCC Form 499-Q. This means your company is a direct contributor to the FUSF and is billed monthly by USAC. **If the company does not file, a late filing fee will be applied.**
2. *De minimis* filers are not required to file the FCC Form 499-Q, but **must** notify USAC of their status by selecting the *de minimis* button on their main screen after logging into E-File.

Notify USAC of De Minimis Status ?
Notify USAC if your company will be [de minimis](#) in the upcoming quarters.

☐

An orange arrow points from the text 'by selecting the de minimis button' in the second list item to the 'de minimis' link in the toggle box.

de minimis Notification

- If you notify USAC of your *de minimis* status for 2026 by clicking the button, you will be sent an email instructing your company that it is not required to file quarterly forms covering the calendar year 2026.
- If the company has determined that your *de minimis* status has changed, you should ‘unclick’ the *de minimis* button and file the May FCC Form 499-Q.
- Regardless of a company’s *de minimis* status, there will always be an entry in E-File listing the FCC Form 499-Q.

FCC Form(s) 499-Q De Minimis Status Notification

Dear _____,

You have successfully notified USAC that _____ qualifies for *de minimis* status for calendar year 2026 and will not be filing the following FCC Form(s) 499-Q:

- May 2026 FCC Form 499-Q
- August 2026 FCC Form 499-Q

USAC will generate *de minimis* estimates for the FCC Form(s) 499-Q listed above.

If you need to notify USAC of a *de minimis* status for a quarter not shown above, please see the [De Minimis](#) page.

Notifying USAC of your company's FCC Form(s) 499-Q *de minimis* status does not exclude you from filing the FCC Form(s) 499-Q within the 45-day filing window.

You may turn off the *de minimis* notifications at any time and file your future FCC Form(s) 499-Q.

Thank you,
USAC

Select Billing Contact When Completing the 499-Q

- All 499-Q filers must select the email address of a Billing Contact when completing the 499-Q in E-File which is located in Line 112 of the 499-Q:

112. Billing address and billing contact person [Bills for Universal Service contributions will be sent to this address.]

Filing Online

Accessing the Forms Through E-File

Online Filing – Before You Start

- Google Chrome and Microsoft Edge internet browsers are recommended.
 - Apple Safari, Mozilla Firefox, and mobile access are not recommended.
- Make sure your internet browser's 'pop up blocker' is **OFF**.
 - The system opens a new window to display the data entry screen for the FCC Form 499-Q.
 - If you have clicked '**Start Form**' and you don't see a new, smaller window – you most likely have the pop-ups blocked.
- Please ensure these email addresses from USAC don't go to your SPAM folder!
 - Important USAC communication comes from the following emails:
 - ✓ 'form499@usac.org'
 - ✓ 'CustomerSupport@usac.org'
 - ✓ 'form499@universalservice.org'
- Not sure if you are *de minimis* or not? FILE the 499-Q form anyway!
 - We would rather have you report your revenues than us having to estimate on your behalf.

Questions?

Annual Filing FCC Form 499-A

FCC Form 499-A Purpose

What is it?

A company reports their actual historical revenues on the FCC Form 499-A.

The 2026 FCC Form 499-A reports actual revenues from calendar year 2025.

USAC takes the revenue on the 2026 FCC Form 499-A and compares it to the projected revenue from the quarterly FCC Forms 499-Q that were filed in 2025.

Estimated Revenues – Total for Year

499-Q November 2024 Filing (1Q 2025)
499-Q February 2025 Filing (2Q 2025)
499-Q May 2025 Filing (3Q 2025)
499-Q August 2025 Filing (4Q 2025)

Compare to

Actual Revenues

- 2026 FCC Form 499-A
January – December 2025

Annual True-Up

Compare 499-Q revenue to the 499-A revenue

If the company's projected revenues for calendar year 2025, reported on the FCC Form 499-Qs, are **too high**, USAC will calculate your credit.

The company 'contributed' too much over the year.

If the company's projected revenues are **too low**, USAC will calculate a "true-up charge" to make up for the contribution deficit.

The company didn't contribute enough over the year.

These charges/credits will appear on the company's July billing statement.

Annual Form – Main Page

After starting the 499-A in E-File, the main page for completing of the FCC Form 499-A will appear.

The two main areas of the annual form that require attention are the registration and revenue areas.
